

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

American Association of Community Colleges

2004-48	PTK Preparing Tomorrow's Science and Mathematics Teachers	Richard Jones, Liberal Arts and Sciences	NA		This project develops courses for teacher preparation to facilitate transfer to four-year institutions. Sinclair will receive mentoring services and curricula; there is no monetary award.
2004-55	Horizon Mentee Service Learning Project	Carolyn Mann, Extended Learning and Human Services	\$12,000	Funded	This project creates a standardized, comprehensive service learning program at

American Honda Foundation

2004-107	Science, Engineering, Mathematics & Aerospace Academy	Brenda Reddrick, Enrichment Center	\$0	Not Funded	This proposal seeks operation funding for the Science, Engineering, Mathematics & Aerospace Academy.
----------	---	------------------------------------	-----	------------	--

Automotive Industry Planning Council

2004-93	Automotive ASE Award of Excellence Program	Mike Garblik, Engineering and Industrial Technologies	\$18,000	Funded	The Automotive Technology Department is applying for a national award of excellence for its CAP Program with Daimler/Chrysler.
---------	--	---	----------	--------	--

Book Manufacturer's Institute

2004-143	Project READ Family Book Distribution Budget	Laura Mlazovsky Mlazovsky, Project READ	\$0	Not Funded	This project develops a year-round book distribution program through the existing Project READ network for 20,000 children.
----------	--	--	-----	------------	---

City of Dayton

2004-43	Victim Witness Program	Bonnie Shane, Business Technologies	\$95,973	Funded	This project involves a victim/witness protection project with the City of Dayton Prosecutor's office.
2004-62	Project READ Coalition	Susan Bodary, Project READ	\$15,000	Funded	This project funds the core functions of the Project READ Coalition.

Clark County Department of Job and Family Services

2004-12	Tuition Reimbursement	Bud Kirley, Student Services	\$931	Funded	This project funds tuition and books for disadvantaged adults from Clark County.
2004-49	Tuition Reimbursement	Bud Kirley, Student Services	\$13,119	Funded	This project provides tuition and book funding for disadvantaged adult students from Clark County.
2004-79	Tuition Reimbursement	Bud Kirley, Student Services	\$10,834	Funded	This project provides tuition and book funding for disadvantaged adult students from Clark County.

Coleman Foundation

2004-119	Entrepreneurship Awareness and Education Grant	Jeffrey Vance, Business Technologies	\$20,300	Funded	This project will develop an Associate of Science degree and a certificate program in entrepreneurship to replace the existing small business ownership program.
----------	--	--------------------------------------	----------	--------	--

Council for Resource Development

2004-95	Successful Planning Strategies for Grants Development	Neil Herbkersman, Administration	NA		This is a presentation to the Council for Resource Development national conference in St. Louis.
---------	---	----------------------------------	----	--	--

Dayton Foundation

2004-20	Gap Analysis	Susan Bodary, Project READ	\$25,000	Funded	This project will generate data to document the need for community literacy services and to create quality program models.
---------	--------------	----------------------------	----------	--------	--

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

<u>Dayton Job Corps Center</u>					
2004-128	Tuition Reimbursement	Bud Kirley, Student Services	\$4,000	Funded	This project provides tuition reimbursement to students from the Dayton Job Corps.
<u>Edison Materials Technology Center</u>					
2004-13	Design, Manufacturing and Commercialization of World Class Comprehensive Fuel Cell Testers in	George Sehi, Engineering and Industrial Technologies	\$0	Not Funded	This project is a subcontract to fund faculty consulting and student internships to work with a local developer of fuel cell testing equipment.
<u>EDS Foundation</u>					
2004-91	Miami Valley READS	Laura Mlazovsky Mlazovsky, Project READ	\$4,942	Funded	This project supports the ongoing work of Miami Valley READS, Project READ's one-on-one tutoring initiative.
<u>George Gund Foundation</u>					
2004-106	SEMAA Supplemental Funding	Brenda Reddrick, Enrichment Center	\$0	Not Funded	This project provides supplemental funding for the Science, Engineering, Mathematics, and Aerospace Academy program.
<u>Knowledge Works Foundation</u>					
2004-54	Career Pathway Planning Project	Dan Brazelton, Corporate and Community Services	\$30,000	Funded	This planning grant will develop a community-wide plan to improve linkages between community based organizations, vocational high schools, the Job Center and Sinclair to better serve low-wage workers.
<u>League for Innovation in the Community College</u>					
2004-131	Prepare America	Bob Rice, Extended Learning and Human Services	\$0	Not Funded	The League for Innovation is submitting a proposal to the U.S. Department of Homeland Security, Office of Domestic Preparedness to offer non-credit training to first responders nationwide. Sinclair will be the State Lead College for Ohio coordinating training delivered by community colleges.
2004-31	College and Career Transitions Initiative--Engineering Technologies	Ron Kindell, Miami Valley Tech Prep Consortium	\$150,000	Funded	This is second-year funding for a project which provides recognition of national benchmark programs in secondary to postsecondary transition.
<u>LexisNexis</u>					
2004-76	Miami Valley READS	Susan Bodary, Project READ	\$5,000	Funded	This project supports the ongoing work of the Miami Valley READS tutoring program for K-4th graders.
<u>Local Donors</u>					
2004-64	Scholarships for Nursing Annually Contracted Faculty	Gloria Goldman, Allied Health		NA	This project seeks funding to provide Nursing annually contracted faculty with tuition reimbursement funding to obtain a Masters Degree.
<u>Martha Holden Jennings Foundation</u>					
2004-103	FIRST Robotic Competition for	Brenda Reddrick, Enrichment Center	\$1,500	Funded	This project partially funds Sinclair's FIRST Robotics team to construct a robot and compete at the state and national level.
<u>Mathile Family Foundation</u>					

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

2004-61	Literacy Gap Analysis	Susan Bodary, Project READ	\$35,000	Funded	This project will generate data to document the need for community literacy services and to create quality program models.
<u>Miami Valley Child Development Center</u>					
2004-36	Miami Valley Child Development Centers	Barbara King, Extended Learning and Human Services	\$26,000	Funded	This contract provides childcare for 10 children at Sinclair's Early Childhood Education Center.
<u>Montgomery County</u>					
2004-135	Fast Forward Center	James Brown, Fast Forward	\$500,000	Funded	This project provides core funding for the Fast Forward Center.
2004-44	Police Radio	Ronald Labatzky, Campus Police	\$0	Not Funded	This project will upgrade the Sinclair police radio system.
<u>Montgomery County ADAMHS Board</u>					
2004-117	Supported Education Program	Dean Cole, Student Services	\$55,255	Funded	This project provides supportive services to disadvantaged adult students.
<u>Montgomery County Dept. of Job and Family Services</u>					
2004-126	Literacy and Child Reading Program Collaborative - LEAF	Laura Mlazovsky Mlazovsky, Project READ	\$363,333	Funded	This project provides a comprehensive system to support adult and family literacy services for low-income families.
2004-142	Experienced Worker Program	Polly Girvin, Student Services	\$127,084	Funded	This will be the 19th year for this project which provides career counseling, courses, and job placement for disadvantaged adults aged 45 and above.
<u>Montgomery County Job and Family Services</u>					
2004-116	One-stop System Memorandum of Understanding	Steven Lee Johnson, Student Services		NA	This is a standard memorandum of understanding between Sinclair and the Department of Job and Family Services for all partners involved in the Job Center from Clinton, Greene, Fayette, Highland and Montgomery counties. Sinclair is a
2004-129	Fast Forward TANF Funding	James Brown, Fast Forward	\$1,100,000	Funded	This project provides funds for subcontractor schools which are part of the Fast Forward Center network of providers.
2004-97	Subcontract with New Choices Charter School	James Brown, Fast Forward	\$100,000	Funded	This contract provides funds to the New Choices charter school which provides instruction and counseling for middle school students who had previously dropped out of school.
<u>National Aeronautics and Space Administration</u>					
2004-75	Science, Engineering, Mathematics, and Aerospace Academy	Brenda Reddrick, Enrichment Center	\$125,000	Funded	This project provides science and mathematics enrichment activities for disadvantaged youth in the Dayton-Springfield area.
<u>National Alliance of Urban Literacy Coalitions</u>					
2004-87	Americorps Literacy	Laura Mlazovsky Mlazovsky, Project READ	\$168,000	Funded	This project continues the Americorps literacy project run by Project READ during Sept. 2004 - August 2005.
<u>National Science Foundation</u>					
2004-06	Fuel Cell Curriculum Development	George Sehi, Engineering and Industrial Technologies	\$0	Not Funded	This project will develop fuel cell technology curriculum and faculty professional development.
2004-10	Lakeland Subcontract	Robert Chaney, Liberal Arts and Sciences		NA	This subaward contract is being issued under the Connecting Math, Science, and Technology project funded by the National Science Foundation.

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

2004-102	Supplemental Funding to Coordinate the AACC Conference Booth	Monica Pfarr, Engineering and Industrial Technologies	\$7,532	Funded	This project provides supplemental funding for the National Center for Manufacturing Education to set up exhibits at the 2004 AACC conference.
2004-11	Subcontract with Belmont Technical College	Charlotte Wharton, Business Technologies		NA	This subcontract funds consulting from Belmont Technical College staff and hosting a faculty development workshop.
2004-122	Dayton Regional Technology Commercialization Network	David Dilley, Engineering and Industrial Technologies	\$0	Not Funded	This project (with the University of Dayton serving as the fiscal agent) will enhance the region's ability to collaborate in serving new manufacturers that move into the Dayton area.
2004-148	Subcontract with Wheeling Jesuit University	Robert Chaney, Liberal Arts and Sciences		NA	This is a subcontract for an NSF project managed by Robert Chaney to conduct a workshop at Wheeling Jesuit University in West Virginia.
2004-16	Cyber Security Curriculum	Robert Sherman, Business Technologies	\$0	Not Funded	This project develops a cyber security certificate and associate degree program option at Sinclair.
2004-32	Enhancing the Resource Center Role of the National Center for Manufacturing Education	Monica Pfarr, Engineering and Industrial Technologies	\$389,205	Funded	The project will provide (1) a web-based clearinghouse best practice educational materials and (2) consulting services to associate-degree granting colleges and their high school and university partners that are implementing systemic change in manufacturing technology education.
2004-33	IT@Sinclair: Improving Student Retention in IT Programs	Charlotte Wharton, Business Technologies	\$305,477	Funded	The goal of this project is to improve retention and student success in the foundation IT course sequence by 20% in partnership with other Ohio community
2004-41	Faculty Development in Collaborative Design	Tom Singer, Engineering and Industrial Technologies	\$171,238	Funded	This project provides engineering technology faculty professional development in collaborative design and rapid tooling and manufacturing through a series of Summer Institutes in the summers of 2005 and 2006.
2004-53	E-Learning in Manufacturing Project	George Sehi, Engineering and Industrial Technologies	\$0	Not Funded	In this project Sinclair will be a partnering college under a subcontract with the National Machining and Tooling Association, (the fiscal agent), to develop web-based credit courses based on the National Institute of Metalworking Standards.
2004-60	Conflict of Interest Forms	Neil Herbkersman, Administration		NA	This project provides certification that Principal Investigators on National Science Foundation grants do not have financial conflicts of interest.
2004-66	Nanotechnology	Surinder Jain, Engineering and Industrial Technologies		NA	This joint project with Purdue University develops nanotechnology expertise at Sinclair through: <ol style="list-style-type: none"> 1. Validate the competencies required of engineering technicians for the installation, repair, and maintenance of NEMS equipment and clean rooms. 2. Develop modules to be integrated into the curricula of existing courses at Sinclair Community College and Purdue University. 3. Develop a model articulation agreement between the two partners. 4. Create internship opportunities in NEMS and MEMS facilities. 5. Offer workforce development workshops based on the curriculum modules. 6. Offer faculty professional development opportunities.
2004-73	Distributed Hybrid Approach in Manufacturing Engineering	James Houdeshell, Engineering and Industrial Technologies	\$153,623	Funded	This project funds the second and final year of this program.
2004-74	On-Site On-Line Metrology Program	James Houdeshell, Engineering and Industrial Technologies		NA	This project is an extension of a current distributed hybrid program; on site on line courses in metrology will be developed and pilot tested.
2004-89	Web-based Learning Object for Breadboarding Skills	Nick Reeder, Engineering and Industrial Technologies		NA	This project involves the development of web-based simulation of a standard electronics breadboard. The simulations will show how to use the breadboard and present problems for students to solve.
2004-94	Columbus State Community College Subcontract	Charlotte Wharton, Business Technologies		NA	This subcontract funds consulting from Columbus State Community College staff and hosting a faculty development workshop.

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

Ohio Arts Council

2004-108	Flights Literary Magazine	James Dunham, Liberal Arts and Sciences	\$0	Not Funded	This project subsidizes the publication of the Flights literary magazine.
2004-118	Sinclair's Writers' Conference	Charles Freeland, Liberal Arts and Sciences	\$1,516	Funded	This project provides support for the annual Sinclair Writer's Conference in April.

Ohio Board of Regents (State)

2004-05	Title II Teacher Quality Enhancement Project	Richard Jones, Liberal Arts and Sciences	\$20,000	Funded	This project will facilitate the development of regional collaborations for the preparation of teacher educators.
2004-111	Targeted Industries Shumsky	Dan Brazelton, Corporate and Community Services	\$2,610	Funded	This project provides training for employees of Shumsky Enterprises.
2004-120	Targeted Industries--Neaton Auto Products	Dan Brazelton, Corporate and Community Services	\$3,167	Funded	This project provides training for the employees of Neaton Auto Products..
2004-140	Targeted Industries Behr Company	Dan Brazelton, Corporate and Community Services	\$10,339	Funded	This project provides training for employees of the Behr Company.
2004-150	Targeted Industries--Shumsky Enterprises	Dan Brazelton, Corporate and Community Services	\$557	Funded	This project subsidizes the training provided by Corporate and Community Services for Shumsky Industries.
2004-24	Jobs Challenge Formula Distribution	Dan Brazelton, Corporate and Community Services	\$150,000	Funded	This is an annual application from Corporate and Community Services on the services provided to local business and industry. Funds are distributed to Sinclair to generally subsidize non-credit training for local business.
2004-26	Targeted Industries--Delphi	Dan Brazelton, Corporate and Community Services	\$6,332	Funded	This project provides training for employees of Delphi
2004-27	Targeted Industries--Scitex	Dan Brazelton, Corporate and Community Services	\$8,894	Funded	This project provides training for employees of Scitex.
2004-28	Targeted Industries BARCO	Dan Brazelton, Corporate and Community Services	\$6,905	Funded	This project provides training for employees of BARCO.
2004-39	Targeted Industries Mazer Corporation	Dan Brazelton, Corporate and Community Services	\$12,072	Funded	This project provides training for employees of the Mazer Corporation.
2004-42	Targeted Industries Cox Ohio	Dan Brazelton, Corporate and Community Services	\$5,000	Funded	This project provides training for employees of Cox Ohio Publishing Co.
2004-45	Targeted Industries Training AMCO Products	Dan Brazelton, Corporate and Community Services	\$800	Funded	This project provides training for employees of AMCO Products.
2004-69	Targeted Industries International Fineblanking	Dan Brazelton, Corporate and Community Services	\$2,850	Funded	This project provides training for the employees of International Fineblanking.
2004-77	Small Business Workforce Development Project	Donnah Courtice, Corporate and Community Services	\$20,000	Funded	This project provides consultation and training to small businesses in the Dayton
2004-88	Targeted Industries ComputNet	Dan Brazelton, Corporate and Community Services	\$5,000	Funded	This project provides training for the employees of CompuNet.
2004-92	Targeted Industries Delphi	Dan Brazelton, Corporate and Community Services	\$15,500	Funded	This project provides training for employees of Delphi.
2004-96	Targeted Industries PhyMet	Dan Brazelton, Corporate and Community Services	\$5,068	Funded	This project provides training for the employees of PhyMet company.

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

Ohio Bureau of Workers Compensation

2004-127	Tuition Reimbursement	Bud Kirley, Student Services	\$15,000	Funded	This project provides tuition and book funding for employees of the Ohio Bureau of Workers' Compensation.
----------	-----------------------	------------------------------	----------	--------	---

Ohio Department of Development

2004-30	Third Frontier Internship Program	George Sehi, Engineering and Industrial Technologies	\$246,776	Funded	Sinclair is a partner in this initiative to provide internships for students in Information Technology, engineering technology, and biotechnology careers. The applicant is the Dayton Area Chamber of Commerce.
---------	-----------------------------------	--	-----------	--------	--

Ohio Department of Education

2004-04	Project READ ABLÉ Program	Susan Bodary, Project READ	\$382,567	Funded	This project continues the work of the Project READ coalition and the Southwest Ohio ABLÉ Resource Center during FY 04.
2004-113	Sinclair ABLÉ	Virginia Garrett, Extended Learning and Human Services	\$33,501	Funded	This project provides ongoing funding for Sinclair's Adult and Basic Literacy Education program for FY 05.
2004-115	Project READ Coalition	Laura Mlazovsky Mlazovsky, Project READ	\$17,916	Funded	This project provides ongoing support for the Project READ Coalition for FY 05.
2004-123	Carl Perkins Postsecondary Grant	Mortenous Johnson, Student Services	\$195,718	Funded	This project provides operating support for the Enrichment Center which serves pre-college students through a variety of programming.
2004-124	Miami Valley Tech Prep Consortium--Federal allocation	Ron Kindell, Miami Valley Tech Prep Consortium	\$246,232	Funded	This project provides core funding to continue the Miami Valley Tech Prep
2004-125	Miami Valley Tech Prep Consortium--State allocation	Ron Kindell, Miami Valley Tech Prep Consortium	\$159,381	Funded	This project provides core funding for the Miami Valley Tech Prep Consortium
2004-130	Charter College of Education	Suzanne Ehrlich-Martin, Extended Learning and Human Services	\$0	Not Funded	In cooperation with the University of Cincinnati, this project will develop a baccalaureate teacher preparation program in American Sign Language.
2004-136	Project Lead the Way	Monica Pfarr, Engineering and Industrial Technologies	\$99,970	Funded	This project will offer pre-college engineering technology professional development programming for high school teachers across Ohio.
2004-145	Southwest ABLÉ Resource Center	Laura Mlazovsky Mlazovsky, Project READ	\$350,065	Funded	This project supports the ongoing work of the Southwest Ohio ABLÉ Resource Center for FY05.
2004-147	Expanded Enrollment Project	Ron Kindell, Miami Valley Tech Prep Consortium	\$75,546	Funded	This project provides funds to expand the tech prep programming in local high
2004-17	Carl Perkins	Mortenous Johnson, Student Services	\$219,284	Funded	This project provides operating support for the Enrichment Center which serves pre-college students through a variety of programming.
2004-34	Naturally Signing	Suzanne Ehrlich-Martin, Extended Learning and Human Services	\$12,940	Funded	This project provides teacher training for interpreters for the hearing impaired.
2004-52	Integration of Deaf Preschoolers into College Model Preschool	Robbin Hoopes, Extended Learning and Human Services	\$0	Not Funded	This project designs ASL and deaf culture courses.
2004-58	Tech Prep Expanded Enrollment Grant	Tracy Jayne, Miami Valley Tech Prep Consortium	\$20,000	Funded	This project will develop a plan for integrating career exploration in the ninth and tenth grades prior to recruitment into tech prep programs.
2004-67	FY04 Tech Prep Expanded Enrollment	Ron Kindell, Miami Valley Tech Prep Consortium	\$120,200	Funded	This project will improve the Miami Valley Tech Prep Consortium pathways in biotechnology, procurement, and safety.
2004-80	Project Lead the Way	Monica Pfarr, Engineering and Industrial Technologies	\$51,864	Funded	This project will offer pre-college engineering technology professional development programming for high school teachers across Ohio.

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

2004-82	21st Century Community Learning Center	James Brown, Fast Forward	\$286,986	Funded	This collaboration with the Mound Street Academies provides after school and summer programming in math, reading, and other areas for disadvantaged students.
2004-98	Tech Prep Expanded Enrollment	Tracy Jayne, Miami Valley Tech Prep Consortium	\$150,000	Funded	This project develops a web-based career guidance system for ninth grade students enrolled in high schools to the Miami Valley Tech Prep Consortium.
2004-99	Project READ SW ABLE Resource Center Budget Revision	Laura Mlazovsky Mlazovsky,		NA	This is a budget revision for the FY 03 carry forward for the Southwest Ohio Adult Basic and Literacy Resource Center.
<u>Ohio Department of Jobs and Family Services</u>					
2004-100	Preschool Early Literacy Core Curriculum Project	Karen Winston, Extended Learning and Human Services	\$83,250	Funded	The project creates an Early Literacy Specialist position at Sinclair to provide professional development for practitioners and teachers in early childhood settings and for pre k-12 teachers in Ohio's schools.
<u>Ohio Department of Mental Health</u>					
2004-132	Mental Health Technology Internships	Linda Mowery, Allied Health	\$4,608	Funded	This project provides internships for Mental Health Technology students at the Twin Valley Psychiatric System in Dayton.
<u>Ohio Department of Rehabilitation and Corrections</u>					
2004-121	Training for Incarcerated Youth Offenders	Bob Rice, Extended Learning and Human Services	\$0	Not Funded	This project provides skill enhancement for incarcerated youth.
2004-29	Tuition Reimbursement	Bob Rice, Distance Learning	\$9,000	Funded	This project provides tuition funding for incarcerated individuals at the Dayton Correctional Institute.
<u>Pitney Bowes</u>					
2004-85	Miami Valley READS	Susan Bodary, Project READ	\$0	Not Funded	This project supports the ongoing work of the Miami Valley READS tutoring program for elementary school children.
<u>Reynolds & Reynolds</u>					
2004-68	Miami Valley READS	Susan Bodary, Project READ	\$5,000	Funded	This project provides support to continue the Miami Valley READS tutoring
<u>RGK Foundation</u>					
2004-104	SEMAA Supplemental Funding	Brenda Reddrick, Enrichment Center	\$0	Not Funded	This project seeks operating support the Science, Engineering, Mathematics & Aerospace Academy.
<u>Sinclair Community College</u>					
2004-01	KnowledgeWorks Meadowdale High School Consulting	Neil Herbkersman, Administration		NA	This project involves consulting with the Meadowdale High School to submit proposals to the Ohio High Schools Transformation Initiative of the KnowledgeWorks/Gates Foundations.
2004-02	KnowledgeWorks Belmont High School Consulting	Neil Herbkersman, Administration		NA	This project involves consulting with the Meadowdale High School to submit proposals to the Ohio High Schools Transformation Initiative of the KnowledgeWorks/Gates Foundations.
2004-07	Fall Professional Development Day Workshop	Neil Herbkersman, Administration		NA	This project involves faculty and staff in a proposal development workshop.
2004-08	CCTI Storyboarding Session	Ron Kindell, Miami Valley Tech Prep Consortium		NA	This storyboarding session focused on implementing the CCTI Project from the League for Innovation and the U.S. Department of Education.

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

2004-09	Young Scholars Program	Mortenuous Johnson, Student Services	NA	The focus of this storyboarding session is on quality improvements (content and process) for the Young Scholars Program
2004-105	Warren County Expansion Research	Steven Lee Johnson, President	NA	This research was included in the regional development notebook presented to the board of trustees for discussion.
2004-110	Project READ Resource Development Plan	Laura Mlazovsky Mlazovsky, Project READ	NA	This project establishes a grant development plan for Project READ for FY05.
2004-114	Storyboarding Session for Mediation Services	Tom Roberts, Student Services	NA	This storyboarding session explores the need for mediation services at Sinclair.
2004-134	Fast Forward Evaluation Contact with Miami University Middletown	James Brown, Fast Forward	NA	This contract provides evaluation services to the Fast Forward Center.
2004-138	FY05 Annual Agenda for the Grants Office	Neil Herbkersman, Administration	NA	This file contains the Grants Office FY2005 annual agenda.
2004-139	K-12 School Science Storyboarding	Doug Bradley-Hutchison, Liberal Arts and Sciences	NA	This storyboarding session focused on developing K-12 science enrichment and teacher professional development partnerships.
2004-141	Storyboarding Session for Dual Enrollment with University of Dayton	Bob Sheehan, Miami Valley Tech Prep Consortium	NA	This storyboarding session plans a dual enrollment program between Sinclair's Business Administration department and University of Dayton's School of Business.
2004-144	Appalachian Studies Conference	Carol Baugh, Student Services	NA	This storyboarding session explores funding sources for the March 2006 Appalachian Studies conference at Sinclair.
2004-149	Summer Institute 2004	Neil Herbkersman, Administration	NA	This project is a proposal development workshop for Sinclair faculty.
2004-18	Staff Senate Retreat Storyboarding Session	Scott Fowler, Administration	NA	This storyboarding session will facilitate planning for Staff Senate for FY 04.
2004-21	Mound Street Academies Subcontracts	James Brown, Fast Forward	NA	These subcontracts provide operating support to the three Mound Street Academies.
2004-22	MOU for Fast Forward Center Partners	James Brown, Fast Forward	NA	These MOU (memoranda of understanding) between Sinclair's Fast Forward and its partners outline the responsibilities of each partner on the program.
2004-35	Homeland Security Storyboarding Session	Helen Grove, Extended Learning and Human Services	NA	This storyboarding session will identify Sinclair's resources for assisting the community relative to homeland security needs.
2004-37	Sinclair NSF Grants Network	George Sehi, Engineering and Industrial Technologies	NA	This storyboarding session focuses on creating a network to provide technical assistance to NSF project teams.
2004-38	Storyboarding for Plastics Program	David Meyer, Engineering and Industrial Technologies	NA	This storyboarding session assists the Engineering Technology Division with planning for the Plastics program.
2004-40	NSF Funding Presentation	Neil Herbkersman, Administration	NA	This presentation to national conference of the National Coalition of Advanced Technology Center focuses on NSF funding.
2004-46	Storyboarding Session for Adult Advantage	Suzanne Cole, Student Services	NA	This storyboarding session helps Adult Advantage reach more students.
2004-47	League for Innovation Reapplication	Jean Jacobs, Instruction	NA	This project involves the development of a reapplication document to the League for Innovation in the Community College to maintain board status.
2004-56	ILP/Holistic Counseling Storyboarding	Peter Bolmida, Student Services	NA	This storyboarding session for Sinclair's Title III grant focuses on the integration of the project student database with R-17.
2004-57	Conversation Day Debriefing Storyboarding	Steve Jonas, Administration	NA	This storyboarding is a debriefing of the planning team for the Conversation Day held October 13, 2003.
2004-59	Storyboard for Catalogue	Ann Armstrong, Student Services	NA	This storyboarding session focuses on improving the Sinclair Catalogue production process and format.

Sinclair Community College Grants Development Office Activity Report

Detail of Activity by Agency

07/01/03 through 06/30/04

2004-65	18-month Master Plan for the Instructional Division	Helen Grove, Instruction	NA		This storyboarding session will result in an 18-month Master Plan for the Instructional Division
2004-78	Product Lifecycle Management Storyboarding	Monica Pfarr, Engineering and Industrial Technologies	NA		This storyboarding session with faculty from the Purdue University School of Technology focuses on the feasibility of submitting a proposal on product lifecycle management.
2004-84	Subcontract with ISUS	James Brown, Fast Forward	NA		This subcontract for \$25,000 completes the FY04 fiscal obligation for ISUS.
2004-90	Miami University Subcontract for Fast Forward Center Evaluation	James Brown, Fast Forward	NA		This subcontract amendment provides evaluation services from the Applied Research Center at Miami University Middletown.
<u>Target Stores</u>					
2004-137	Project READ	Laura Mlazovsky Mlazovsky, Project READ	\$13,500	Funded	This project provides \$3,500 to support operations of Miami Valley READS and \$3,500 to support the Project READ Coalition.
<u>Tech Prep High School Partners</u>					
2004-83	Tech Prep Partner Match Invoices	Ron Kindell, Miami Valley Tech Prep Consortium	\$55,500	Funded	This project provides support funding for the Miami Valley Tech Prep Consortium.
<u>Tennessee Council for Resource Development</u>					
2004-25	Presentation to Tennessee Council for Resource Development	Neil Herbkersman, Administration	\$1,000	Funded	This eight-hour workshop for the Tennessee Council for Resource Development focuses on grants planning and storyboarding.
<u>U.S. Agency for International Development</u>					
2004-50	Indian Community Colleges: Including the Excluded	Robert Keener, Instruction		NA	This project, in cooperation with the Community Colleges for International Development, provides technical assistance to further the development of community colleges in North India.
<u>U.S. Department of Education</u>					
2004-03	Upward Bound Supplemental Funding	Brenda Payne, Student Services	\$75,000	Funded	This project provides funding to serve additional Upward Bound students.
2004-15	Student Support Services	Fola Fadeyi, Student Services	\$260,181	Funded	This project provides supportive services to disadvantaged students. This is the third year of a four year grant.
2004-63	Sinclair Earmark Project	Steven Lee Johnson, President		NA	This project focused on completing questionnaires for possible federal government earmark funding.
