

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

### American Association of Community Colleges

2006-50	AACC Horizon Mentee Service Learning Project	Marilyn Rodney, Extended Learning and Human Services	\$13,000	Funded	This grant provides the third and final year of funding for the Service Learning
2006-68	Project Reach	Dean Cole, Student Services	\$0	Not Funded	This project provides Service Learning opportunities for students with disabilities.

### American Dental Association

2006-45	Dental Hygiene Digital Clinic	Sue Raffee, Allied Health	\$0	Not Funded	This project provides computer workstations that will support cutting edge software for practice management and clinical and digital imaging.
---------	-------------------------------	---------------------------	-----	------------	---

### American Dietetics Association

2006-108	Increasing Diversity in Dietetics Program	Nora Schaefer, Allied Health	\$5,000	Funded	This project will increase the diversity of the student population in Dietetics Program through aggressive recruitment and retention activities.
----------	---	------------------------------	---------	--------	--

### Central Michigan University Subcontract

2006-143	Preparing Students for Collaborative Design Environments Through the Utilization of Product Lifecycle Management Technologies	Tom Singer, Engineering and Industrial Technologies	\$0	Not Funded	This project adds for additional faculty membes to the existing summer faculty workshops in collaborative design.
----------	---	---	-----	------------	---

### Cincinnati Bell

2006-174	Grimmy Awards Sponsorship	Nancy Jones, Project READ		Not Funded	This project requests sponsorship of Project READ's annual Grimmy Awards recognizing outstanding literacy achievements in the Dayton area.
----------	---------------------------	---------------------------	--	------------	--

### City of Dayton

2006-15	Victim Witness Contract	Bonnie Shane, Business Technologies	\$102,909	Funded	This project involves an ongoing victim/witness protection project with the City of Dayton Prosecutor's office.
2006-86	Project READ Coalition	Nancy Jones, Project READ	\$15,000	Funded	This annual contract supports the operations of the Project READ Coalition.

### Clark County Department of Job and Family Services

2006-34	Tuition Reimbursement	Bud Kirley, Student Services	\$3,082	Funded	This project provides tuition and book funding for disadvantaged adult students from Clark County.
2006-52	Tuition Reimbursement	Bud Kirley, Student Services	\$8,769	Funded	This project provides tuition and books for disadvantaged adults from Clark County.
2006-82	Tuition Reimbursement	Bud Kirley, Student Services	\$655	Funded	This project provides tuition and books for disadvantaged adults from Clark County.

### College Board

2006-131	Academic Resource Centers	Sara Smith, Student Services	\$0	Not Funded	This proposal supports the Academic Readiness Centers in local high schools by funding Accuplacer tests at all ten sites and adaptive computer equipment at five
----------	---------------------------	------------------------------	-----	------------	--

### Corporation for National and Community Service

2006-54	Learn and Serve America Higher Education	Marilyn Rodney, Extended Learning and Human Services	\$0	Not Funded	This project expands Sinclair's Service Learning program.
---------	--	--	-----	------------	---

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

<u>Dayton Power and Light</u>					
2006-58	Miami Valley READS	Nancy Jones, Project READ	\$10,000	Funded	This project supports the ongoing work of Project READ's Miami Valley READS tutoring program for elementary children.
<u>Dollar General Literacy Foundation</u>					
2006-116	Dollar General	Nancy Jones, Project READ	\$0	Not Funded	This project supports the Literacy Americorps project coordinated by Project READ.
<u>EDS Foundation</u>					
2006-176	Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project provides general operating support to Project READ to operate Miami Valley Reads.
<u>HP</u>					
2006-89	Technology for Teaching	Surinder Jain, Engineering and Industrial Technologies	\$0	Not Funded	This project involves installation of a wireless network using notebook computers in an Electronics Engineering Technology laboratory.
<u>Indian River Community College</u>					
2006-18	Consulting Services	Neil Herbkersman, Grants Team	\$700	Funded	The Sinclair Grants Team provides consulting to Indian River Community College focused on writing proposals to the National Science Foundation.
<u>Junior League of Dayton</u>					
2006-107	Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project supports the Miami Valley READS tutoring program for elementary school children.
<u>Kettering Fund</u>					
2006-57	Miami Valley READS Assessment Project	Nancy Jones, Project READ	\$15,000	Funded	This project assesses the success of the Miami Valley READS program of Project READ.
<u>Knowledge Works Foundation</u>					
2006-122	Achieving the Dream	Helen Grove, Extended Learning and Human Services	\$50,000	Funded	This project engages Sinclair in a long-term initiative to improve student retention rates in mathematics and English, academic advising, and course scheduling.
<u>LBJ Inc.</u>					
2006-23	Operating Support for Miami Valley Reads	Nancy Jones, Project READ	\$0	Not Funded	This project provides general operating funding for Miami Valley Reads.
<u>League for Innovation in the Community College</u>					
2006-65	College and Career Transitions	Ron Kindell, Miami Valley Tech Prep Consortium	\$80,000	Funded	This is the fourth-year funding for a project which provides recognition of national benchmark programs in secondary to postsecondary transition.
2006-69	Getting Results	Monica Pfarr, Engineering and Industrial Technologies	\$16,000	Funded	This project provides training for adjunct faculty in engineering and industrial technologies.
<u>Les Mapp Foundation</u>					
2006-137	Project READ Coalition	Nancy Jones, Project READ	\$2,000	Funded	This project support the ongoing operations of the Project READ Coalition.

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

### Levin Family Foundation

2006-70 Family Health Literacy Pilot Program Nancy Jones, Project READ \$10,000 Funded This project researches health literacy resources and needs in Dayton area.

### LexisNexis

2006-124 Miami Valley READS Nancy Jones, Project READ \$5,000 Funded This project supports the ongoing work of the Miami Valley READS tutoring program for elementary school children.

### Limited Brands

2006-118 Miami Valley READS Nancy Jones, Project READ \$3,000 Funded This project continues the ongoing work of the tutoring program for elementary school children.

### Literacy USA

2006-06 Literacy Americorps Dayton Nancy Jones, Project READ \$188,945 Funded This project will enable Project READ to recruit and place 12-15 Americorps full-time volunteers in literacy programs in the Dayton area.

### MeadWestvaco

2006-178 Family Literacy Nancy Jones, Project READ \$7,500 Funded This project supports the elementary tutoring program, Miami Valley READS.

### MetLife Foundation

2006-60 MetLife Foundation Best Practices in Student Retention Anna Mays, Student Services \$10,000 Funded This project nominates Sinclair to receive a national award recognizing best practices in student retention.

### Miami University Subcontract

2006-119 Enhancing Earth Science Education through Integrated GIScience Monica Pfarr, Engineering and Industrial Technologies \$0 Not Funded This project is a subcontract with Miami University on a proposal to the National Science Foundation to provide summer professional development workshops for earth science teachers.

### Monroe County Community College

2006-112 Proposal Development Consulting Neil Herbkersman, Grants Team \$2,000 Funded This project provided project planning assistance to Monroe County Community College (Monroe, MI).

### Montgomery County

2006-148 Fast Forward Center Michael Carter, Fast Forward Center \$500,000 Funded This project provides general operating funds for the Fast Forward Center.

### Montgomery County ADAMHS Board

2006-125 Supported Education Program Dean Cole, Student Services \$55,255 Funded This project provides supportive services to disadvantaged adult students.

### Montgomery County Dept. of Job and Family Services

2006-117 WIA Eligibility Application David Dilley, Engineering and Industrial Technologies NA This project provided the Montgomery County Department of Job and Family Services with applications for WIA eligibility for several credit and non-credit

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

2006-138	Montgomery County One Stop Center Memorandum	Steven Lee Johnson, Administration		NA	This is a standard memorandum of understanding between Sinclair and the Department of Job and Family Services for all partners involved in the Job Center from Clinton, Greene, Fayette, Highland and Montgomery counties. Sinclair is a
2006-159	Montgomery County Adult and Family Literacy Services	Nancy Jones, Project READ	\$210,000	Funded	This project provides literacy coordination and direct literacy services to low-income adults and families.
2006-160	Out-of-school Youth Initiative	Michael Carter, Fast Forward Center	\$1,100,000	Funded	This project provides operational funding for two ISUS high schools and the New Choices middle school.
2006-63	Subcontract with ISUS	Michael Carter, Fast Forward Center		NA	This project is a subcontract between Sinclair and New Choices alternative school for youth.
2006-64	Subcontract with New Choices	Michael Carter, Fast Forward Center		NA	This project is a subcontract with ISUS to support out of school youth.
2006-80	Consulting Services	Dan Brazelton, Corporate and Community Services	\$35,000	Funded	This project provides funds for consulting services provided by Don Vermillion to the Department of Job and Family Services.
<u>National Science Foundation</u>					
2006-07	Enhancing the Resource Center Role of the National Center for Manufacturing Education	Monica Pfarr, Engineering and Industrial Technologies	\$268,189	Funded	This project provides the fourth and final year of funding for this program.
2006-105	Air Traffic Controller Associate Degree	Donna Hanshew, Engineering and Industrial Technologies		NA	This project develops an associate degree in air traffic control in association with the FAA, Wright-Patterson Air Force Base, and ABX Air.
2006-126	Student Focused Mathematics and Science for Allied Health Majors	Doug Bradley-Hutchison, Liberal Arts and Sciences	\$0	Not Funded	This project creates curriculum enhancements in math and science courses to increase Allied Health students' success.
2006-130	Computational Science Program for Ohio Community and Technical Colleges	Art Ross, Liberal Arts and		NA	Sinclair Community College (Dayton, Ohio) submits this proposal on behalf of the following coalition of partners: Capital University (Bexley, Ohio), Project Lead the Way Ohio (Dayton, Ohio), Ralph Regula School of Computational Science operated by the Ohio Supercomputer Center (Columbus, Ohio), and Stark State College of Technology (Canton, Ohio). The goal of this NSF ATE project is to expand the statewide capacity for educating community college students in computational
2006-139	STEM Business Intelligence Competency Center	Karl Konsdorf, Information Technology Services		NA	This project provides professional development and consulting services in Business Intelligence in partnership with Miami University.
2006-144	Applying Research-Based Instructional Methods in the	James Houdeshell, Engineering and Industrial Technologies	\$99,987	Funded	This project provides for a summer workshop for engineering technology faculty to integrate research-based instructional methods into classroom teaching.
2006-156	Wright Design of Experiment Projects	Robert Willison, Engineering and Industrial Technologies	\$0	Not Funded	This project submitted by Wright State University with Sinclair as a partner, will improve mechanical engineering technology curricula through the teaching of the design of experiments.
2006-168	Creating a Cyberinfrastructure Knowledgeable Workforce	Art Ross, Liberal Arts and	\$0	Not Funded	This project involves a state-wide coalition of colleges and universities to develop, market, and launch a comprehensive cyber infrastructure education program.
2006-25	IT@Sinclair Future Skills Research Laboratory	David Siefert, Business Technologies	\$0	Not Funded	This project builds a methodology based upon formal industry relationships with visionary employers that enable the discovery and forecast of IT skills, competencies, and jobs well before the needs are articulated by mainstream employers.

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

2006-30	Regional Institute for Micro-Nano Technology Education and Commercialization	Robert Willison, Engineering and Industrial Technologies	\$0	Not Funded	This project is a partnership with Purdue University College of Technology to: 1. Validate the competencies required of mechanical engineering technicians and technologists working in industries that are related to Micro-Nano Technology and their applications and commercialization. 2. Develop seven Micro-Nano Technology modules based on the development process established through the National Center for Manufacturing Education. 3. Develop a replicable 2+2 articulation model for mechanical engineering technology. 4. Offer faculty professional development opportunities in Micro-Nano Technology.
2006-35	Faculty Development in Automotive Hybrid Vehicle Technology	Rex Kent, Engineering and Industrial Technologies	\$140,000	Funded	This project provides a summer faculty development workshop in automotive hybrid technology in partnership with Honda, Toyota, Ford, and General Motors.
2006-36	State of Ohio Polymer Project	Shep Anderson, Engineering and Industrial Technologies		NA	This project investigated the possibility of submitting a statewide proposal to stimulate enrollments in polymer associate degree programs.
2006-37	Subcontract with Ventura Community College District	Tom Singer, Engineering and Industrial Technologies		NA	This subcontract with Ventura supports faculty development in collaborative design and rapid tooling manufacturing.
2006-40	Onsite Online Metrology Project	James Houdeshell, Engineering and Industrial Technologies	\$0	Not Funded	This project is an extension of a current distributed hybrid program; on site on line courses in metrology are developed and pilot tested.
2006-41	Midwest Coalition for Comprehensive Design Education	Steven Wendel, Engineering and Industrial Technologies	\$113,598	Funded	This project is a comprehensive regional center for Product Lifecycle Management with Purdue University (fiscal agent) and three other community colleges.
2006-42	Planning Grant to Reform the Engineering & Industrial Technologies Division	George Sehi, Engineering and Industrial Technologies	\$0	Not Funded	This project investigates options and make recommended improvements to the Engineering & Industrial Technologies Division.
2006-43	No cost extensions for CSEMS Scholarship Program	Patty Santoianni, Business Technologies		NA	This no-cost extension request would change the end date for the project to
2006-49	Product Realization Faculty Development	Robert Willison, Engineering and Industrial Technologies	\$0	Not Funded	This project will involve a subcontract with the University of Louisiana at Lafayette to provide professional development to community college faculty integrating virtual reality technology with the product realization process to offer participants of the program a set of skills that are on the cutting edge of technology.
2006-62	Great Lakes Regional Fuel Cell Center	Surinder Jain, Engineering and Industrial Technologies		NA	This is a letter of support for a major fuel cell grant being submitted by Stark State College of Technology.
2006-67	Increasing Diversity in Tooling and Machining	Ron Dapore, Engineering and Industrial Technologies		NA	This project increases diversity of the Tooling and Machining program students.
2006-87	STEP Subcontract with Wright State University	Richard Jones, Liberal Arts and Sciences	\$451,553	Funded	This project increases the retention, transfer, and graduation rates of STEM majors (science, technology, engineering, and math students). Wright State University is the fiscal agent, Sinclair will be a subcontractor. The project was funded for 4 years with an optional 5th year based on performance.
2006-91	Radio Frequency Identification Project	Surinder Jain, Engineering and Industrial Technologies		NA	This project develops curriculum to implement a project in radio frequency identification.
<u>Ohio Arts Council</u>					
2006-28	Sinclair's Writers Workshop	Rebecca Morean, Liberal Arts and Sciences	\$1,591	Funded	This project supports the annual Writers Workshop sponsored by the English Department.
<u>Ohio Board of Regents (State)</u>					
2006-109	Targeted Industries Barco #3714	Dan Brazelton, Corporate and Community Services	\$2,650	Funded	This project provides funding for the employees of Barco.

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

2006-110	Targeted Industries PhyMet #3710	Dan Brazelton, Corporate and Community Services	\$575	Funded	This project provides training for the employees of PhyMet.
2006-113	Targeted Industries Shumsky #3730	Dan Brazelton, Corporate and Community Services	\$8,160	Funded	This project provides training to the employees of Shumsky Enterprises.
2006-114	Targeted Industries Kettering Medical Center #3717	Dan Brazelton, Corporate and Community Services	\$10,000	Funded	This project provides funding for the employees of Kettering Medical Center.
2006-115	Targeted Industries Paxar America #3737	Dan Brazelton, Corporate and Community Services	\$6,487	Funded	This project provides funding for the employees of Paxar America.
2006-129	Targeted Industries Mark Concepts	Dan Brazelton, Corporate and Community Services	\$3,923	Funded	This project provides training for the employees of Mark Concepts.
2006-141	Targeted Industries Universal #3912	Dan Brazelton, Corporate and Community Services	\$2,000	Funded	This project provides training for the employees of Universal Tool.
2006-165	Targeted Industries IMI Norgren, Inc. #3950	David Siefert, Corporate and Community Services	\$2,000	Funded	This project provides training for the employees of IMI Norgren, Inc.
2006-17	Targeted Industries Kodak Versamark #24	Dan Brazelton, Corporate and Community Services	\$2,294	Funded	This project provides training for the employees of Kodak Versamark.
2006-172	Statewide CCTI Career Pathways Meeting	Ron Kindell, Miami Valley Tech Prep Consortium	\$10,000	Funded	This project funds a statewide career pathways meeting for the Miami Valley Tech Prep Consortium and the Lorain County Community College to sponsor a meeting to disseminate best practices related to the College and Career Transitions Initiative.
2006-177	Targeted Industries Neaton Auto	David Siefert, Corporate and Community Services	\$2,000	Funded	This project provides training for the employees of Neaton Auto Products.
2006-24	Targeted Industries Kodak Versamark #3332	Dan Brazelton, Corporate and Community Services	\$4,168	Funded	This project provides training for the employees of Kodak Versamark.
2006-32	Targeted Industries Millat #3373	Dan Brazelton, Corporate and Community Services	\$2,425	Funded	This project provides training for the employees of Millat Industries.
2006-38	Targeted Industries Alek Industries #3355	Dan Brazelton, Corporate and Community Services	\$5,000	Funded	This project provides training for the employees of Alek Industries.
2006-39	Targeted Industries C & M Rubber #3396	Dan Brazelton, Corporate and Community Services	\$1,300	Funded	This project provides training for the employees of C & M Rubber.
2006-44	Jobs Challenge Formula and Grant Distribution	Dan Brazelton, Corporate and Community Services	\$150,000	Funded	This is an annual application from Corporate and Community Services on the services provided to local business and industry. Funds subsidize non-credit training for local business.
2006-97	Targeted Industries Curtiss Wright Controls #3652	Dan Brazelton, Corporate and Community Services	\$7,500	Funded	This project provides training for the employees of Curtiss Wright Controls.
2006-99	Targeted Industries Composite Technologies #3678	Dan Brazelton, Corporate and Community Services	\$5,175	Funded	This project provides training for the employees of Composites Technology
<u>Ohio Bureau of Workers Compensation</u>					
2006-106	Occupational Safety and Health Courses	Nick Scambilis, Engineering and Industrial Technologies	\$0	Not Funded	This project provides occupational safety and health courses to employees of the Ohio Bureau of Worker's Compensation.
2006-161	Tuition Reimbursement	Bud Kirley, Student Services	\$10,000	Funded	This project provides tuition and book support for employees of the Ohio Bureau of Workers' Compensation.

### Ohio Department of Development

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

2006-101	GE Consumer Finance Project	Dan Brazelton, Corporate and Community Services	NA	This project provides training services for employees of GE Consumer Finance company.	
<u>Ohio Department of Education</u>					
2006-08	Project Lead the Way	Monica Pfarr, Engineering and Industrial Technologies	\$149,300	Funded	This project offers pre-college engineering technology professional development programming for high school teachers across Ohio.
2006-102	Sinclair Adult Basic and Literacy Education	Barbara Gilbert, Extended Learning and Human Services	\$33,334	Funded	This project continues Sinclair's Adult Basic and Literacy Education program.
2006-103	Southwest ABLE Resource Center	Nancy Jones, Project READ	\$30,443	Funded	The budget for the Southwest Ohio Resource Center was increased by \$30,443 to cover program expenses.
2006-127	Twenty-first Century Grant	Michael Carter, Fast Forward Center	\$286,896	Funded	This project will flow funds to the Mound Street Academies to operate an after-school and summer program offering academic enrichment.
2006-140	World of Wonder Charter School 21st Century Grant	Neil Herbkersman, Grants Team	NA	This project involved providing pro-bono editing assistance to the World of Wonder Charter School for its 21st Century grant.	
2006-147	Carl Perkins Funding	Mortenus Johnson, Student Services	\$273,188	Funded	This project funds the Enrichment Center and the ARCs.
2006-150	Miami Valley Tech Prep Consortium--Federal Funding	Ron Kindell, Miami Valley Tech Prep Consortium	\$251,727	Funded	This project provides general operating funds to the Miami Valley Tech Prep Consortium.
2006-151	Miami Valley Tech Prep Consortium--State Funding	Ron Kindell, Miami Valley Tech Prep Consortium	\$170,025	Funded	This project provides general operating funding for the Miami Valley Tech Prep Consortium.
2006-152	Miami Valley Tech Prep Consortium--Expanded Enrollment	Ron Kindell, Miami Valley Tech Prep Consortium	\$90,663	Funded	This project provides general operating support of the Miami Valley Tech Prep Consortium
2006-153	Tech Prep Research and Development	Ron Kindell, Miami Valley Tech Prep Consortium	\$43,571	Funded	This project involves expanding into the construction technology pathway.
2006-158	Upward Bound Summer Food Program	Marlena Beavers, Student	\$9,500	Funded	This project provides subsidized lunches for Upward Bound students during the summer programming.
2006-162	Fast Forward Center Earmark	Michael Carter, Fast Forward Center	\$0	NA	This is the annual report to the Ohio Department of Education on the FY2006 earmark grant for the Fast Forward Center.
2006-163	Early Literacy Specialist	Whitney Bixler, Extended Learning and Human Services	\$69,000	Funded	The project funds the second year of an Early Literacy Specialist position at Sinclair to provide professional development for practitioners and teachers in early childhood settings and for pre k-12 teachers in Ohio's schools.
2006-167	Ford Partnership for Advanced Studies Project	Monica Pfarr, Engineering and Industrial Technologies	\$20,000	Funded	This will fund the startup of a Ford Partnership for Advanced Studies to improve instruction in the manufacturing tech prep program.
2006-170	Southwest ABLE Resource Center and Project READ Coalition	Nancy Jones, Project READ	\$358,669	Funded	This project supports the ongoing operations of the Project READ coalition and the Southwest Ohio Resource Center for Adult Basic and Literacy Education teachers.
2006-27	Contract with Mound Street Academies	Michael Carter, Fast Forward Center	NA	This is a subcontract with the Mound Street Academies to continue the 21st Century after school enrichment program.	
2006-66	Tech Prep Construction Pathway	Meg Draeger, Miami Valley Tech Prep Consortium	\$50,000	Funded	This project creates a construction pathway in the Tech Prep program.
2006-81	Tech Prep "Research and Development" Grant Implementing Career Pathways in IT	Bob Sheehan, Miami Valley Tech Prep Consortium	\$0	Not Funded	This project expands an IT pathway in the Tech Prep program.

### Ohio Department of Jobs and Family Services

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

2006-142	Earmark Request with Cuyahoga Community College	Steven Lee Johnson, President	\$0	Not Funded	This joint project with Cuyahoga Community College will provide training to disadvantaged adults (low income and displaced workers) in high growth jobs.
<u>Ohio Department of Mental Health</u>					
2006-164	Mental Health Technology Interns	Linda Mowrey, Allied Health	\$3,000	Funded	This project provides internships for Mental Health Technology students at the Twin Valley Psychiatric System in Dayton.
<u>Ohio Department of Rehabilitation and Corrections</u>					
2006-12	Tuition Reimbursement	Bob Rice, Extended Learning and Human Services	\$92,590	Funded	This project provides tuition funding for incarcerated individuals at the Dayton Correctional Institution.
2006-171	Post Secondary Employment Skills Education	Bob Rice, Extended Learning and Human Services	\$9,000	Funded	This project provides tuition funding for incarcerated individuals at the Dayton Correctional Institution.
2006-95	Postsecondary Employment Skills Education	Bob Rice, Extended Learning and Human Services	\$10,800	Funded	This project provides tuition funding for incarcerated individuals at the Dayton Correctional Institution.
<u>Ohio Humanities Council</u>					
2006-16	Holocaust Remembrance 2006 Keynote: Robert Gellately	Tom Martin, Liberal Arts and Sciences	\$500	Funded	This project funds the keynote speaker for Sinclair's 2006 Holocaust Remembrance program.
<u>Ohio Learning Network</u>					
2006-11	Emerging Workforce Needs	Ned Young, Business		NA	This project involves planning for the implementation of an online Level I certification for procurement, acquisition, logistics, and supply chain management.
<u>Ohio Legislature</u>					
2006-149	Fast Forward Center	Michael Carter, Fast Forward Center	\$750,000	Funded	This project provides operating funds for the Fast Forward Center.
<u>Relizon Employee Foundation</u>					
2006-22	Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project provides ongoing operational funding for the Miami Valley READS tutoring program for elementary school children.
<u>Reynolds &amp; Reynolds</u>					
2006-90	Miami Valley READS	Nancy Jones, Project READ	\$4,500	Funded	This project supports the ongoing work of the Miami Valley READS elementary tutoring program.
<u>Sinclair Community College</u>					
2006-09	CRD National Conference Presentation	Neil Herbkersman, Grants Team		NA	This presentation focuses on using mind mapping techniques for proposal
2006-10	Fall 2005 Conference Presentation	Neil Herbkersman, Grants Team		NA	This project involves faculty and staff in a proposal development workshop in Sept. 2005.
2006-100	Presentation to the Miami Valley American Association of Grant Professionals	Neil Herbkersman, Grants Team		NA	This project provides training to the Miami Valley chapter of the American Association of Grant Professionals on Compression Planning with Storyboarding.
2006-104	Project Lead the Way Additional Funding	Monica Pfarr, Engineering and Industrial Technologies		NA	This project focuses on developing distributed hybrid courses in engineering technology.

# Sinclair Community College Grants Development Office Activity Report

## Detail of Activity by Agency

07/01/05 through 06/30/06

2006-120	Think Tank Storyboarding	Hank Dunn, Student Services	NA	This storyboarding session focused on operational issues for the Think Tank collaboration between Sinclair and Wright State University.
2006-128	Subcontract with Miami University for Automotive Technology Project	Rex Kent, Engineering and Industrial Technologies	NA	The Applied Research Center at Miami University Middletown will provide evaluation services for a National Science Foundation grant that is providing faculty development to community college automotive technology faculty.
2006-135	Letter of Support for Goodwill	Steven Lee Johnson, Administration	NA	This project provides a letter of support for Goodwill Industries' proposal for a Senior Citizen Job Training Program.
2006-14	Fire Science Planning	Taylor Watkins, Engineering and Industrial Technologies	NA	This planning session focused on expansion of the Fire Science Technology department and the Fire Academy.
2006-145	YWCA Storyboarding	Steven Lee Johnson, President	NA	This storyboarding session focuses on strategic planning for the YWCA.
2006-146	Biology Departmental Review	Phyllis Williams, Liberal Arts and Sciences	NA	This project involves serving on the Biology Departmental Review committee.
2006-157	Concept Paper for Potential Collaborative Programs with the Institute of Technical Education (Singapore)	Robert Keener, Business Technologies	NA	This concept paper outlines possible cooperative programs between Sinclair and the Institute of Technical Education in Singapore.
2006-166	Mound Street Academies Planning Session	Neil Herbkersman, Grants Team	\$300 Funded	This storyboarding session focused on strategic planning for the Mound Street Academies.
2006-173	Sinclair Grants Office Annual Agenda	Neil Herbkersman, Grants Team	NA	This file contains the FY2007 annual agenda for the grants office.
2006-175	Subcontract with Owens Community College	Charlotte Wharton, Business Technologies	NA	This is a subcontract to the IT@Sinclair project to provide services.
2006-179	Program Alignment Process	Helen Grove, Information Technology Services	NA	This storyboarding session creates a process for reviewing Sinclair's programs and services.
2006-19	Special Words and Text	Steven Lee Johnson, President	NA	This project provides technical assistance to the president for internal
2006-21	Presentation to Community Colleges for International Development	Robert Keener, Liberal Arts and Sciences	NA	This was a presentation at the national conference of the Community Colleges for International Development on Compression Planning with storyboarding.
2006-31	Liberal Arts and Sciences Storyboarding Session	Richard Jones, Liberal Arts and Sciences	NA	This storyboarding session focused on managing growth in the Liberal Arts and Sciences division.
2006-33	Business Leader Focus Group Facilitation	Steven Lee Johnson, President	NA	This storyboarding session obtained comments from academic, business, and civic leaders on the college.
2006-46	Presentation to the Miami Valley American Association of Grant Professionals	Neil Herbkersman, Grants Team	NA	This presentation focused on the operating systems of the Sinclair Grants Office.
2006-47	Developmental Studies Retreat	Betty Wallace, Extended Learning and Human Services	NA	This storyboarding session focused on policy and procedure changes to improve student success in Developmental Studies.
2006-48	Physics Department Storyboarding	Art Ross, Liberal Arts and	NA	This storyboarding session focused on improvements to PHY 100/110 for implementation at the YMCA Fast Track Learning Centers.
2006-51	Institutional Review Board Article for CRD Dispatch	Neil Herbkersman, Grants Team	NA	This project is an article written for a Council for Resource Development publication regarding Institutional Review Boards.
2006-55	Make a Difference Day	Neil Herbkersman, Grants Team	NA	This professional development opportunity is offered to members of the Project READ coalition as part of Sinclair's contribution to Make a Difference Day.
2006-56	Fall ABLE Directors Meeting Presentation	Neil Herbkersman, Grants Team	NA	This project is a presentation to the Ohio Department of Education ABLE Directors at their annual conference.
