

# Sinclair Community College Grants Development Office Activity Report

## Detail by Sponsor 07/01/06-06/30/07

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>
<u>ADAHMS Board of Montgomery County</u> 2007-141 Supported Education Program	Dean Cole, Student Services	\$55,255	Funded	This project provides ongoing operations in support of a program to assist Sinclair students with mental health problems.
<u>Aerospace Education Foundation</u> 2007-073 Fluke Meters	Lorraine Kapka, Engineering and Industrial Technologies		NA	This project provides Fluke 975 AirMeter™ testers for Sinclair's HVACR program.
<u>American Association of Community Colleges</u> 2007-011 AACC Horizon Service Learning Mentor Program	Marilyn Rodney, Extended Learning and Human Services	\$0	Not Funded	This project establishes Sinclair's Service Learning program as a benchmark for other community colleges to follow.
<u>Berry Company</u> 2007-086 Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project continues the ongoing operations of Project READ's tutoring program for elementary school children.
<u>Bob Evans Foundation</u> 2007-124 Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project supports the work of Miami Valley READS.
<u>Center for Healthy Communities</u> 2007-077 Training for employees at Twin Valley Behavioral Healthcare	Linda Mowrey, Allied Health	\$5,000	Funded	This project funds the tuition for employees of the Twin Valley Behavioral Healthcare in Dayton and Columbus.
<u>City of Dayton</u> 2007-050 Victim Witness Contract	Bonnie Shane, Business Operations	\$109,649	Funded	This project involves an ongoing victim/witness protection project with the City of Dayton Prosecutor's office.
2007-074 Project READ Coalition	Nancy Jones, Project READ	\$15,000	Funded	This project supports the work of the operations of the Project READ Coalition.
2007-087 Aviation Maintenance Relocation to Historical Wright Brothers Factory	Walt Davis, Engineering and Industrial Technologies		NA	This project involves the relocation of the Aviation Maintenance program from the Miami Valley Career Technology Center to the historical Wright Brothers Airplane Factory on the Delphi property in West Dayton.
<u>Coca Cola Foundation</u> 2007-123 Dental Hygiene Digital Imaging Project	Sue Raffee, Allied Health	\$0	Not Funded	This project provides updated technology for Sinclair's dental clinic.
<u>Community College Futures Assembly</u> 2007-101 Bellwether Award	Karen Witt, Student Services		NA	This is a submission for a Bellwether Award for the Student Success Plan.

<b>Sponsor</b>		<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>
<u>Dayton Job Corps Center</u>					
2007-051	Tuition Reimbursement	Bud Kirley, Student Services	\$10,000	Funded	This project provides tuition reimbursement for students living at the Dayton Job Corps Center.
2007-177	Tuition Reimbursement	Bud Kirley, Student Services	\$10,000	Funded	This Memorandum of Understanding provides for tuition reimbursement for students living at the Dayton Job Corps Center. Approximately \$10,000 flows through this agreement throughout the year.
<u>Dayton Power and Light</u>					
2007-068	Workforce Training Program	Deb Norris, Workforce Development		N/A	This project develops workforce training programs in high-tech areas in collaboration with the Dayton Development Coalition.
<u>Dollar General Literacy Foundation</u>					
2007-063	Adult Literacy Recruitment and Retention	Nancy Jones, Project READ	\$0	Not Funded	This project is a collaboration with the Miami Valley Literacy Council to increase student participation and success in adult literacy programs.
<u>EDS Foundation</u>					
2007-180	Miami Valley Reads	Nancy Jones, Project READ	\$3,000	Funded	This project provides operating support to Miami Valley Reads
<u>Emerson Climate Technologies</u>					
2007-058	HVACR Hybrid Project Phase I	Jim Eller, Engineering and Industrial Technologies	\$10,000	Funded	This project creates a hybrid distance learning HVACR refrigeration course.
<u>Greater Pittsburgh Literacy Council</u>					
2007-095	Literacy Americorps	Nancy Jones, Project READ	\$139,106	Funded	This project will continue Project READ's Americorps program which recruits and places 12-15 Americorps full-time volunteers in literacy programs in the Dayton area.
<u>Haas Automation</u>					
2007-113	Haas Automation, Inc. Equipment	Gene Chambers, Engineering and Industrial Technologies		NA	This project provides 6 piece of advanced equipment for the Computer Aided Manufacturing program.
<u>HP</u>					
2007-103	Wireless Classroom Laboratory	Russell Marcks, Engineering and Industrial Technologies	\$0	Not Funded	This project creates a mobile wireless classroom of notebook computers to improve instruction in STEM disciplines.
<u>Iddings Foundation</u>					
2007-071	Adolescent Literacy Project	Nancy Jones, Project READ	\$15,000	Funded	This project researches and documents best practices in adolescent literacy programs.
<u>Industrial Fiberglass Specialties, Inc.</u>					
2007-047	Industrial Fiberglass Specialties contract	Polly Girvin, Student Services	\$27,180	Funded	This project provides employee assessments through the Career Services

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>
<u>John &amp; Betty Meyer Family Foundation</u> 2007-081 Project READ	Nancy Jones, Project READ	\$0	Not Funded	This project supports the ongoing operations of the Project READ's core services such as the Helpline and area book distribution.
<u>Johnson Controls</u> 2007-114 Career Connect	Russell Marcks, Engineering and Industrial Technologies		NA	This project provides equipment, faculty development, and student outreach programming for the HVACR program.
<u>Kettering Fund</u> 2007-010 Miami Valley READS Assessment Project	Nancy Jones, Extended Learning and Human Services	\$15,000	Funded	This is the second of three years of this project that will measure the success of the Miami Valley READS program.
<u>League for Innovation in the Community College</u> 2007-067 College and Career Transitions Initiative	Ron Kindell, Miami Valley Tech Prep Consortium	\$80,000	Funded	This is the fourth-year funding for a project which provides recognition of national benchmark programs in secondary to postsecondary transition.
<u>Levin Family Foundation</u> 2007-150 Project READ Book Distribution	Nancy Jones, Project READ	\$7,000	Funded	This project supports the ongoing operations of Project READ's book distribution project.
<u>LexisNexis</u> 2007-152 Miami Valley READS	Nancy Jones, Project READ	\$5,000	Funded	This project supports the ongoing work of Project READS elementary school tutoring program.
<u>Limited Brands</u> 2007-183 Miami Valley READS	Nancy Jones, Project READ	\$5,000	Funded	This project provides support for Project READ's volunteer tutoring program for elementary school children.
<u>Martha Holden Jennings Foundation</u> 2007-033 Miami Valley READS	Nancy Jones, Project READ	\$6,100	Funded	This project supports the ongoing operations of Miami Valley READS, Project READ's volunteer tutoring program for elementary school children.
<u>Messer Construction Foundation</u> 2007-116 Sinclair Community College Habitat Home Construction	Al Wahle, Engineering and Industrial Technologies	\$0	Not Funded	Sinclair faculty and staff volunteers working with Engineering & Industrial Technologies students participating in service learning activities supervised by Sinclair faculty will construct one 1,100 square foot home per year in Dayton
<u>MetLife Foundation</u> 2007-145 Expanding the College for Seniors Program	Anne Holaday, Student Services	\$0	Not Funded	This project expands the College for Seniors by developing specific outreach and educational programming for Baby Boomers.

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>
<u>Mikesell Foundation</u> 2007-147 Miami Valley READS	Nancy Jones, Project READ	\$7,500	Funded	This project supports the ongoing operations of Miami Valley READS.
<u>Montgomery County</u> 2007-176 Fast Forward Center	Michael Carter, Fast Forward Center	\$500,000	Funded	This project provides general operating funds for the Fast Forward Center.
<u>Montgomery County Dept. of Job and Family Services</u> 2007-038 Out-of-School Youth Initiative	Michael Carter, Fast Forward Center	\$550,000	Funded	This project provides operational funding for two ISUS high schools and the New Choices middle school. This project amends project 06-160 by extending it 6 months and increasing the amount of funding by 50%.
2007-056 Montgomery County Adult and Family Literacy Services	Nancy Jones, Project READ	\$105,000	Funded	This project provides literacy coordination and direct literacy services to low-income adults and families.
2007-065 ISUS Subcontract	Michael Carter, Fast Forward Center		NA	The subcontract provides operating support for the school which provides education and services for youth dropouts
2007-066 New Choices Subcontract	Michael Carter, Fast Forward Center		NA	The subcontract provides operating support for the school which provides education and services for youth dropouts
2007-099 State Earmark Subcontracts for 2007	Michael Carter, Fast Forward Center		NA	This project are subcontract amendments with the Mound Street Academies and New Choices on the existing state earmark award.
<u>Morgan Family Foundation</u> 2007-109 Adolescent Literacy	Nancy Jones, Project READ	\$0	Not Funded	This project address the shortages of literacy programs serving struggling readers in 6-10th grade and promotes coordination and best practices.
<u>National Aeronautics and Space Administration</u> 2007-148 Ohio STEM Grant	Norma Hollebeke, Liberal Arts and Sciences		N/A	This project provided assistance to the Miami Valley P16 STEM Consortium to further develop a STEM Education Center for the Dayton area.
<u>National Math and Science Institute</u> 2007-146 UTeach Institute	Norma Hollebeke, Liberal Arts and Sciences		N/A	This project focuses on increasing the number of STEM teachers in the Dayton area.
<u>National Science Foundation</u> 2007-014 Midwest Coalition for Comprehensive Design Education	Steven Wendel, Engineering and Industrial Technologies	\$135,212	Funded	This project with Purdue University serving as fiscal agent improves instruction in the industrial design option.
2007-015 Center of Excellence in Network Control Access	Scott McCollum, Information Technology Services	\$0	Not Funded	This project will facilitate the adoption of network access control technologies to strengthening the security of the corporate and educational computer networks. Deliverables include software and curriculum modules.
2007-017 Air Traffic Control Associate Degree Program	Donna Hanshew, Engineering and Industrial Technologies	\$0	Not Funded	This project creates a new air traffic control associate degree program at Sinclair that articulates with a B.S. program offered at Embry-Riddle Aeronautical University.

<b>Sponsor</b>		<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>
<u>National Science Foundation</u>					
2007-024	HVACR Hybrid Associate Degree	Jim Eller, Engineering and Industrial Technologies	\$0	Not Funded	This project creates the beginning of a distributed hybrid associate degree in heating, air conditioning, ventilation, refrigeration controls.
2007-028	Computational Science	Art Ross, Science, Mathematics & Engineering	\$60,878	Funded	The Ohio Supercomputer Center and the Ralph Regula School of Computational Science (Ohio State University is the fiscal agent) submits this proposal on behalf of the following coalition: Sinclair and Project Lead the Way Ohio (Dayton), Owens Community College (Toledo), and Stark State College of Technology (Canton). The goal of this NSF ATE project is to expand the statewide capacity for educating community college students in computational science.
2007-032	Diversity in Tooling and Machining	Ron Dapore, Engineering and Industrial Technologies		NA	This project is a collaboration with Central Piedmont Community College in North Carolina. Central Piedmont is the fiscal agent.
2007-040	Faculty Development in Automotive Hybrid Technology	Rex Kent, Science, Mathematics & Engineering	\$131,691	Funded	This project provides a week-long summer faculty development workshop in automotive hybrid technology in partnership with Honda, Toyota, Ford, and General Motors. This same workshop was offered in 2006.
2007-048	Great Lakes Fuel Cell Education & Training Center	Surinder Jain, Engineering and Industrial Technologies		NA	This is a letter of support for a major fuel cell grant being submitted by Stark State College of Technology.
2007-064	Energy Management Curriculum Development	Robert Gilbert, Engineering and Industrial Technologies		N/A	This project develops curriculum modules on energy management in collaboration with Dayton Power and Light, York Technical College (South Carolina), General Electric, Duke Power, and several small businesses.
2007-072	Dayton Urban STEM Teacher Academy	Norma Hollebeke, Liberal Arts and Sciences		N/A	This project will create a 2+2+2 program in STEM teacher education in collaboration with the Dayton Public Schools and the University of Dayton
2007-078	Advanced Computer-Aided Curriculum	Gene Chambers, Engineering and Industrial Technologies		NA	This project is a preliminary proposal to infuse advanced machining curriculum in the associate degree.
2007-079	Compliance Document for Ventura Community College	Tom Singer, Engineering and Industrial Technologies		NA	This project seeks A-133 documentation needed for an National Science Foundation subcontract.
2007-083	Ventura Subcontract	Tom Singer, Engineering and Industrial Technologies		NA	This project amends the subcontract with Ventura Community College until
2007-088	Historically Black Colleges and Universities Undergraduate Program	Karen Blake, Student Services	\$0	Not Funded	This project fosters closer collaboration between Sinclair and Central State University by providing scholarships to Engineering Technology and Science students who matriculate to earn their BS degrees.
2007-091	National Center for Manufacturing Education Resource Center	Monica Pfarr, Engineering and Industrial Technologies		NA	This project provides operating support for the National Center for Manufacturing Education to continue its role of disseminating curricula and providing technical assistance to community colleges across the country.
2007-093	Center of Excellence in Network Access Control	Dan O Callaghan, Information Technology Services	\$0	Not Funded	This project will facilitate the adoption of network access control technologies to strengthening the security of the corporate and educational computer networks. Deliverables include software and curriculum modules.
2007-094	Subcontract with University of Dayton	Solomon Fulero, Liberal Arts and Sciences	\$0	Not Funded	This project conducts research regarding eye witness identification. The University of Dayton is the fiscal agent.

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>	
<u>National Science Foundation</u>					
2007-098	Student Focused Mathematics and Science for Allied Health Majors	Doug Bradley-Hutchison, Science, Mathematics & Engineering	\$0	Not Funded	This project creates curriculum enhancements in math and science courses to increase Allied Health students' success.
2007-100	STEM Curriculum for High School Girls	Cheryl Reindl-Johnson, Business Technologies		N/A	With partners Owens Community College and Hocking College, this project will develop STEM college-level courses for high school girls and teachers involving modules in physics, electronics engineering technology, information technology, and applied mathematics.
2007-104	HVACR Online Model	Jim Eller, Engineering and Industrial Technologies		N/A	This project converts 14 HVACR courses to distributed hybrid delivery.
2007-107	Aviation Diesel Engine Maintenance Faculty, Curriculum, and Laboratory Development	Don Stark, Science, Mathematics & Engineering	\$0	Not Funded	This project obtains equipment and develops curriculum for diesel aircraft engine maintenance.
2007-111	ABILITY Alliance	George Sehi, Science, Mathematics & Engineering	\$0	Not Funded	Sinclair will collaborate with Wright State University and other partners to improve access and success of disabled students in STEM disciplines.
2007-149	Applying Research-based Instructional Methods in the Classroom	James Houdeshell, Science, Mathematics & Engineering		N/A	This project explored the advantages and logistics of submitting an extension under a different Principal Investigator vs. submitting another proposal.
2007-155	New Generation Health Diagnostic & Prevention Systems	Surinder Jain, Engineering and Industrial Technologies		N/A	This is a letter of support for a research and development project to develop portable, wireless diagnostic apparatus.
2007-179	Engineering Virtual Organization	Monica Pfarr, Workforce Development	\$0	Not Funded	This project conducts research and development on models for collaboration in engineering design and new product development.
<u>NCR Foundation</u>					
2007-085	Miami Valley READS	Nancy Jones, Project READ	\$3,000	Funded	This project continues the ongoing operations of Project READ's tutoring program for elementary school children.
<u>Ohio Board of Regents (State)</u>					
2007-026	Targeted Industries Mark Concepts #4064	David Siefert, Corporate and Community Services	\$6,667	Funded	This project provides training for the employees of Mark Concepts.
2007-035	Targeted Industries Neaton Auto #4081	David Siefert, Corporate and Community Services	\$5,000	Funded	This project provides training for the employees of Neaton Auto.
2007-039	Job Formula Challenge	Deb Norris, Corporate and Community Services	\$400,000	Funded	This is an annual application from Corporate and Community Services on the services provided to local business and industry. Funds subsidize non-credit training for local business.
2007-042	Targeted Industries PerkinsElmer #4122	Deb Norris, Corporate and Community Services	\$5,150	Funded	This project provides training for the employees of PerkinsElmer.
2007-057	Targeted Industries Millat Industries #4168	Deb Norris, Corporate and Community Services	\$2,900	Funded	This project provides training for the employees of Millat Industries.
2007-097	Targeted Industries Lastar #4331	Deb Norris, Corporate and Community Services	\$4,025	Funded	This project provides training for the employees of Lastar, Inc.

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>	
<u>Ohio Board of Regents (State)</u>					
2007-110	Targeted Industries Konecranes #4359	Deb Norris, Corporate and Community Services	\$9,000	Funded	This project provides training for the employees of Konecranes.
2007-122	Targeted Industries Playtex Products #4410	Deb Norris, Corporate and Community Services	\$2,900	Funded	This project provides training for the employees of Playtex Products.
2007-128	Targeted Industries Bimac Corporation #4433	Deb Norris, Corporate and Community Services	\$2,756	Funded	This project provides training for the employees of Bimac Corporation.
2007-134	Targeted Industries Advanced Engineering Solutions # 4454	Deb Norris, Corporate and Community Services	\$1,005	Funded	This project provides training for the employees of Advanced Engineering
2007-135	Targeted Industries Dayton Progress #4484	Deb Norris, Corporate and Community Services	\$9,727	Funded	This project provides training for the employees of Dayton Progress.
2007-136	Targeted Industries Trimble Navigation #4563	Deb Norris, Corporate and Community Services	\$6,065	Funded	This project provides training for the employees of Trimble Navigation.
2007-157	Non-credit Training Capital Request	Deb Norris, Corporate and Community Services	\$0	Not Funded	This project provides capital for non-credit training in engineering technology design (collaborative design and rapid prototyping) and Oracle for the Learning Center at Research Park.
2007-159	Targeted Industries Paxar Americas #4622	Deb Norris, Corporate and Community Services	\$2,000	Funded	This project provides training for the employees of Paxar Americas, Inc.
2007-163	Center for Transition and Success	Nick Wilson, Miami Valley Tech Prep Consortium		N/A	This project creates a virtual Center for Student Transition and Success. The Ohio State University is the fiscal agent. Sinclair, The University of Cincinnati, and Case Western Reserve as partners.
<u>Ohio Bureau of Workers Compensation</u>					
2007-165	Tuition Reimbursement	Bud Kirley, Student Services	\$10,000	Funded	This project provides tuition reimbursement for employees of the Ohio Bureau of Workers Compensation.
<u>Ohio Dental Association</u>					
2007-132	Dental Hygiene Laboratory Project	Sue Raffee, Allied Health	\$0	Not Funded	This project provides intraoral cameras with digital camera systems for ten of the 20 patient areas in the dental lab. The other ten patient areas have been completed in an earlier project phase. This project ties into the renovation of the dental clinic currently underway which is funded by the Levin Foundation and Sinclair.
<u>Ohio Department of Development</u>					
2007-012	Third Frontier Mega Center	Steven Lee Johnson, Administration		NA	This project helps the Dayton Development Coalition plan a \$60 million proposal for an Ohio Department of Development Third Frontier Mega-center for aerospace medicine.
2007-061	Modular Proton Exchange Membrane Fuel Cell Power System	Surinder Jain, Engineering and Industrial Technologies	\$0	Not Funded	This project expands upon the fuel cell laboratory and testing equipment in Electronics Engineering Technology.

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>	
<u>Ohio Department of Development</u>					
2007-125	Multi-cell Fuel Cell for the Educational Market	Surinder Jain, Science, Mathematics & Engineering	\$15,000	Funded	This project will augment the fuel cell laboratory to allow students to investigate a number of other pertinent aspects of fuel cell, for example gas flows, pressure losses, manifolds, etc.;
<u>Ohio Department of Education</u>					
2007-021	Project Lead the Way	Monica Pfarr, Engineering and Industrial Technologies	\$145,000	Funded	This project expands Project Lead the Way into new school districts and offers professional development for high school faculty.
2007-022	Ford PAS Ohio	Monica Pfarr, Engineering and Industrial Technologies	\$128,348	Funded	This project expands the Ford Partnership for Advanced Studies Ohio program into new high schools.
2007-029	Successful Transitioning Programs	Ron Kindell, Miami Valley Tech Prep Consortium	\$35,000	Funded	This project is focused on improving incoming tech prep student performance on mathematics and biology on the ACCUPLACER exam.
2007-054	Girls in Information Technology	Patty Santoianni, Business Technologies	\$2,000	Funded	This project promotes careers in Information Technology to area high school
2007-062	21st Century Subcontract	Michael Carter, Fast Forward Center		NA	Thus subcontract provides funds to the Mound Street Academies for after school and summer enrichment activities.
2007-112	SME/PLTW STEPS Pre-engineering Summer Academies	Monica Pfarr, Science, Mathematics & Engineering	\$112,500	Funded	This project will provide funding for six high schools to hold Project Lead the Way summer camps using Society of Manufacturing Engineers instructional materials.
2007-119	21st Century Partnership with Virtual Community School of Ohio	Mortenous Johnson, Office of Precollege Programs	\$13,000	Funded	This project provides reading and math tutors for disadvantaged students of the Virtual Community School of Ohio at local sites such as the Boonshoft Museum of Discovery.
2007-120	Adult Basic and Literacy Education Program	Barbara Gilbert, Extended Learning and Human Services	\$33,334	Funded	This project provides free adult literacy instruction at Sinclair.
2007-121	21st Century	Michael Carter, Fast Forward Center	\$215,172	Funded	This project provides funds to the Mound Street Academies for after school and summer enrichment activities.
2007-139	21st Century Learning Community	Mortenous Johnson, Student Services		N/A	This project develops a comprehensive after school initiative for underserved youth in west Dayton.
2007-153	Early Literacy Specialist	Whitney Bixler, Extended Learning and Human Services	\$69,000	Funded	The project funds the first year of a two year contract for an Early Literacy Specialist position at Sinclair to provide professional development for practitioners and teachers in early childhood settings and for pre k-12 teachers in Ohio's schools.
2007-154	Upward Bound Summer Food Program	Marlena Beavers, Student Services	\$2,977	Funded	This project provides lunches and snacks for disadvantaged youth attending summer Upward Bound programs.
2007-166	Southwest ABLE Resource Center Additional Funding	Nancy Jones, Project READ	\$42,575	Funded	This project provides additional funds for the operations of the resource center.
2007-168	Miami Valley Tech Prep Consortium--federal allocation	Ron Kindell, Miami Valley Tech Prep Consortium	\$251,727	Funded	This project provides core operational funding for the Miami Valley Tech Prep Consortium.
2007-169	Miami Valley Tech Prep Consortium--state funding	Ron Kindell, Miami Valley Tech Prep Consortium	\$170,025	Funded	This project provides core operational funding for the Miami Valley Tech Prep Consortium.

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>	
<u>Ohio Department of Education</u>					
2007-170	Miami Valley Tech Prep Consortium-- Expanded Enrollment	Ron Kindell, Miami Valley Tech Prep Consortium	\$90,663	Funded	This project provides funding for special projects to expand enrollment in the Miami Valley Tech Prep Consortium.
2007-171	Miami Valley Tech Prep Consortium Research and Development	Ron Kindell, Miami Valley Tech Prep Consortium	\$40,000	Funded	This project provides research and development funding for innovations in tech prep.
2007-173	Carl Perkins Funding for Technical Programs	Mortenuous Johnson, Student Services	\$273,011	Funded	This project provides core operational funding for Sinclair's Office of Precollege Programs programs.
2007-175	Southwest ABLE Resource Center and Project READ Coalition	Nancy Jones, Project READ	\$358,669	Funded	This project supports the ongoing operations of the Southwest Ohio ABLE Resource Center and the Project READ Coalition.
2007-181	Fast Forward Center Earmark Report	Michael Carter, Fast Forward Center		N/A	This is the annual report to the Ohio Department of Education on the FY2006 earmark grant for the Fast Forward Center.
<u>Ohio Department of Jobs and Family Services</u>					
2007-055	TANF Scholarships	Carlyn Bozeman, Student Services		N/A	This project provides scholarships for TANF recipients attending Sinclair.
<u>Ohio Department of Mental Health</u>					
2007-158	Mental Health Technology Student Interns	Linda Mowrey, Allied Health	\$3,425	Funded	This project provides internships for Mental Health Technology students at the Twin Valley Psychiatric System in Dayton.
<u>Ohio Department of Rehabilitation and Corrections</u>					
2007-013	Incarcerated Youth Offenders	Bob Rice, Extended Learning and Human Services	\$21,600	Funded	This project provides workplace and community transition training for incarcerated youth.
2007-016	Statewide Distance Learning Support	Bob Rice, Extended Learning and Human Services	\$19,800	Funded	This project provides coordination to facilitate distance learning opportunities for inmates of the Ohio Department of Rehabilitation system.
2007-084	Incarcerated Youth Offender Training	Bob Rice, Extended Learning and Human Services	\$39,600	Funded	This project provides workplace and community transition training for incarcerated youth.
<u>Ohio Learning Network</u>					
2007-041	Ohio Learning Network Learning Communities Grant	Shan Huang, Liberal Arts and Sciences	\$5,000	Funded	This project establishes a learning community at Sinclair to develop technologically-enhanced science labs.
2007-044	BizWiz Learning Community	DeAnn Hurtado, Business Technologies	\$5,000	Funded	This project establishes a learning community at Sinclair to develop online tutorials for several courses in Business Technologies.
2007-129	Exploring mLearning in Support of Tutoring	Teresa Prosser, Extended Learning and Human Services	\$0	Not Funded	This project creates a learning community to explore mLearning as a means of increasing Developmental Studies students success rates.
2007-130	Student Engagement in Elementary Algebra	Jim Willis, Science, Mathematics & Engineering	\$10,000	Funded	This project supports integration of technology into MAT 101 to increase student success.
<u>Ohio Legislature</u>					

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>	
<u>Ohio Legislature</u>					
2007-115	Fast Forward Center Earmark	Michael Carter, Fast Forward Center	\$750,000	Funded	This earmark request will provide operating funding for the Fast Forward Center.
2007-140	Sinclair Disaster Recovery	Kenneth Moore, Information Technology Services	\$0	Not Funded	This project creates a disaster recovery facility for Sinclair mainframe computer data on the Warren County campus.
<u>Ohio Resource Center</u>					
2007-005	Early Childhood Educator Program	Whitney Bixler, Extended Learning and Human Services	\$750	Funded	Provides professional development for early childhood educators.
<u>Ohio State University Research Foundation</u>					
2007-172	Ten Year Fiber Lease for a 1 Gbps Connection	Scott McCollum, Information Technology Services	\$120,000	Funded	This projects provides ten years of access to broadband Internet Connection.
<u>Pew Partnership</u>					
2007-108	Civic Change Award	Michael Carter, Fast Forward Center		NA	This project involves the submission of the Fast Forward Center for a national award.
<u>Public Utilities Commission of Ohio</u>					
2007-030	Hazardous Materials Training	Nick Scambilis, Engineering and Industrial Technologies		NA	This project provides credit-based training courses for public employees.
<u>Raj Soin</u>					
2007-106	Empowerment of Rural and Tribal Women in India	Robert Keener, Business Technologies	\$0	Not Funded	This project with the Community Colleges for International Development will enhance educational opportunities for vulnerable rural and tribal women in India.
<u>Reynolds &amp; Reynolds</u>					
2007-080	Miami Valley READS	Nancy Jones, Project READ	\$4,494	Funded	This project continues the ongoing operations of Project READ's tutoring program for elementary school children.
<u>RGK Foundation</u>					
2007-161	Literacy Americorps Dayton	Nancy Jones, Project READ	\$0	Not Funded	This project provides support for Project READ's Americorps initiative.
<u>Sinclair Community College</u>					
2007-003	Sinclair Report to the Community	Marianne Gorczyca, Sinclair Foundation		N/A	This project creates a Sinclair Report to the Community document.
2007-006	Engineering & Industrial Technologies Retreat	George Sehi, Engineering and Industrial Technologies		NA	This project provides strategic planning for Sinclair's Engineering & Industrial Technologies division.
2007-007	CRD National Conference Presentation	Neil Herbkersman, Grants Team		NA	This presentation to the Council for Resource Development conference is on Institutional Review Boards.

<b>Sponsor</b>	<b>Project Director</b>	<b>Amt Rec'd</b>	<b>Status</b>	<b>Abstract</b>
<u>Sinclair Community College</u> 2007-008	Alternative Energy Storyboarding Session George Sehi, Engineering and Industrial Technologies		NA	This storyboarding session focuses on the feasibility of offering instructional programs on alternative energy.
2007-018	Central Piedmont Benchmarking George Sehi, Engineering and Industrial Technologies		NA	This project is a benchmarking trip to Central Piedmont Community College grants office.
2007-019	Special Words and Text Steven Lee Johnson, Administration		NA	This project provides technical assistance to the president for internal communications.
2007-020	Allied Health Proposal Steven Lee Johnson, Administration		NA	This project provides an overview of the Allied Health division for use in upcoming initiatives.
2007-025	Presentation to Illinois Resource Development Coalition Neil Herbkersman, Grants Team		NA	This presentation is concerning establishing Institutional Review Boards for primarily undergraduate institutions.
2007-027	Diesel Service Technician Certificate Program Steven Lee Johnson, Administration		NA	This project present two options for developing a new Diesel Service Technician training program.
2007-034	Make a Difference Day Mary Gaier, Administration		NA	This project is a proposal development workshop for We Care Arts staff and volunteers as part of Sinclair's Make A Difference Day event.
2007-036	Subcontract with Clemson University Michael Carter, Fast Forward Center		NA	This subcontract provides evaluation services from Clemson University.
2007-045	President's Community Service Honor Roll Marilyn Rodney, Extended Learning and Human Services		NA	This project is an award application in recognition of Sinclair's Service Learning program.
