

Sinclair Community College Grants Development Office Activity Report

Project Number Details 07/01/07-06/30/08

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-001	U.S. Department of Education	Proposal	Upward Bound Male Initiative	Marlena Beavers, Student Services	\$249,955	Funded	This project provides counseling and educational support services for low-income, disadvantaged male high school students. This is year one of a four year funding cycle.
2008-002	U.S. Department of Education	Proposal	Upward Bound	Marlena Beavers, Student Services	\$324,632	Funded	This project provides counseling and educational support services for low-income, disadvantaged high school students. This is year one of a four year funding cycle.
2008-003	Ohio Learning Network	Proposal	Demystifying Math and Science Learning Community	Gilah Pomeranz, Science, Mathematics & Engineering	\$0	Not Funded	This project will provide quarterly colloquia during the academic year to demystify math and science.
2008-004	U.S. Department of Education	Proposal	Student Support Services	Fola Fadeyi, Student Services	\$267,986	Funded	This project provides supportive services for low-income, first generation students who have a demonstrated academic need. This is the third year of a four year cycle.
2008-005	Ohio Learning Network	Proposal	Educational Use of Podcasting	DeLena Aungst, Business Operations	\$0	Not Funded	This project will create a learning community of faculty interested in using podcasts in their classrooms.
2008-006	Greater Pittsburgh Literacy Council	Proposal	Literacy Americorps	Nancy Jones, Extended Learning and Human Services	\$139,104	Funded	This project will continue Project READ's Americorps program which recruits and places 12 Americorps full-time volunteers in literacy programs in the Dayton area.
2008-007	National Science Foundation	Proposal	National Center for Manufacturing Education, Manufacturing & Engineering Resource Center	Steven Wendel, Science, Mathematics & Engineering	\$390,524	Funded	This project continues the work of the National Center for Manufacturing Education by expanding the Manufacturing & Engineering Resource Center which provides on-line access to instructional resources to community college faculty.
2008-008	Sinclair Community College	Proposal	Miami Valley Tech Prep Consortium Partner Match	Ron Kindell, Provost	\$55,000	Funded	The local high school partners contribute to the operations of the Miami Valley Tech Prep Consortium.
2008-009	U.S. Department of Education	Proposal	Child Care Access Means Parents in School	Barbara King, Extended Learning and Human Services	\$72,485	Funded	This is the second year of a four year grant that subsidizes child care for low-income students.
2008-010	Kettering Fund	Proposal	Miami Valley READS Assessment Project	Nancy Jones, Extended Learning and Human Services	\$15,000	Funded	This is the third and final year of this project that will measure the success of the Miami Valley READS program.
2008-011	Sinclair Community College	Presentation	IRB Presentations CRD National Conference	Neil Herbkersman, Organizational Development		N/A	Presentations for the Council for Resource Development focus on implementing Institutional Review Boards at community colleges.
2008-012	City of Dayton	Proposal	Victim Witness project	Bonnie Shane, Business & Public Services	\$120,284	Funded	This project supports the victim witness project at the City of Dayton Prosecutor's office.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-013	Montgomery County Dept. of Job and Family Services	Proposal	Montgomery County Out-of-school Youth Initiative	Michael Carter, Fast Forward Center	\$990,000	Funded	This project provides operating support for two ISUS Institutes and the New Choices partner charter high schools.
2008-014	National Science Foundation	Proposal	Midwest Coalition for Comprehensive Design Education	Steven Wendel, Science, Mathematics & Engineering	\$54,466	Funded	This project with Purdue University serving as fiscal agent improved instruction in the industrial design option.
2008-015	Montgomery County Dept. of Job and Family Services	Subcontract	Out of School Youth Initiative Subcontracts	Michael Carter, Fast Forward Center		N/A	These subcontracts provide operational funding for two ISUS high schools and the New Choices middle school.
2008-016	Ohio Department of Education	Proposal	Math Remediation Promising Practices	Ron Kindell, Miami Valley Tech Prep Consortium	\$0	Not Funded	This project will provide a developmental mathematics pathway between the Dayton Public Schools and Sinclair.
2008-017	U.S. Department of Agriculture	Storyboarding	Preble County Initiative	Tom Raga, Administration		N/A	Planning and discussions with the regional office should occur for this Distance Learning Telemedicine project in the winter for an anticipated mid April submission.
2008-018	National Science Foundation	Proposal	Great Lakes Regional Educational Center for Hybrid and Advanced Automotive Technologies	Rex Kent, Science, Mathematics & Engineering	\$0	Not Funded	This project creates a regional center to support the integration of automotive hybrid and alternative fuels technology into the community college curriculum through curriculum development, faculty development, and consulting technical assistance.
2008-019	Sinclair Community College	Presentation	Presentation to Adult Basic and Literacy Education Directors	Neil Herbkersman, Project READ		N/A	This presentation for ABLE directors provides tips for securing external funding.
2008-020	Sinclair Community College	Storyboarding	Improving Student Success in MAT 191	Linda Pastore, Liberal Arts and Sciences		N/A	This project develops a common teaching syllabus and teaching strategies for MAT 191 Designing to help students who lack mathematics skills and knowledge.
2008-021	National Science Foundation	Storyboarding	HVACR Distributed Hybrid Model	Jim Eller, Science, Mathematics & Engineering		N/A	This project converts 14 HVACR courses for national distributed hybrid delivery, utilizing labs across the country for the verification of hands-on
2008-022	National Science Foundation	Proposal	Dayton Urban STEM Teacher Academy	Norma Hollebeke, Science, Mathematics & Engineering	\$642,863	Funded	This project aims to increase the number of qualified STEM teachers in Dayton Public Schools.
2008-023	U.S. Department of Health and Human Services	Proposal	Nurse Education Practice and Retention (Online Nurse ReEntry)	Marcia Miller, Life and Health Sciences	\$247,282	Funded	This project offers an online, career ladder program via distance learning to prepare inactive licensed RNs for reentry into clinical practice. This is the second of a three year grant.
2008-024	National Science Foundation	Proposal	Planning Grant for a National Center of Excellence in Logistics and Supply Chain Management	Ned Young, Business Technologies	\$31,044	Funded	This planning grant will develop a partnership with the Riverside Community College District to develop a national center of excellence in logistics and supply chain management.
2008-025	North Carolina Community College System	Proposal	Workshop on Institutional Review Boards-Wintson-Salem NC	Neil Herbkersman, Organizational Development	\$2,800	Funded	This presentation on Institutional Review Boards for the Protection of Human Subjects is for the resource development officers employed by the North Carolina Community College System.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-026	National Science Foundation	Proposal	Consortium for Energy Efficiency Construction Methods and Practice	Robert Gilbert, Science, Mathematics & Engineering	\$0	Not Funded	This project develops curriculum modules on energy management in collaboration with Dayton Power and Light, York Technical College (South Carolina), Duke Energy, and several small businesses.
2008-027	Sinclair Community College	Storyboarding	Storyboarding for Science, Mathematics & Engineering Division	George Sehi, Science, Mathematics & Engineering		N/A	This project helps the new division get organized for the 2008 academic year.
2008-028	United Way of the Greater Dayton Area	Proposal	Adult & Family Literacy Network	Nancy Jones, Project READ	\$10,100	Funded	This is the third year of three years allocation for general operating support of Project READ.
2008-029	Ohio Department of Rehabilitation and Corrections	Proposal	Tuition Reimbursement for Postsecondary Education	Bob Rice, Business & Public Services	\$92,591	Funded	This project provides tuition funding for incarcerated individuals at the Dayton Correctional Institution.
2008-030	Sinclair Community College	Storyboarding	DACUM for STEP II and Top Gun	Shep Anderson, Science, Mathematics & Engineering		N/A	This storyboarding session analyzes the student competencies for Project STEP II and Top Gun
2008-031	Ohio Soybean Council	Proposal	Soy Biodiesel Project	Robert Gilbert, Science, Mathematics & Engineering	\$0	Not Funded	This project enhances the existing biofuel testing center at the Sinclair Energy Center to support multi-disciplinary learning and non-credit workforce development.
2008-032	US Airways Foundation	Proposal	Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project provides operating support for the Miami Valley READS tutoring program for elementary school children.
2008-033	Staples Foundation	Proposal	Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project provides operating support for the Miami Valley READS tutoring program for elementary school children.
2008-034	Sinclair Community College	Storyboarding	Human Resources Planning	Mary Gaier, Organizational Development		N/A	This storyboarding session focuses on process improvements in the Human Resources Department.
2008-035	Sinclair Community College	Storyboarding	Department Chair's Council Planning	Steve Ash, Provost		N/A	This storyboarding session focuses on making improvements in the process of offering small enrollment courses.
2008-036	Ohio Department of Education	Proposal	Project Lead the Way	Hope Arthur, Workforce Development	\$157,601	Funded	This project supports a pre-college engineering technology professional development program for high school teachers across Ohio.
2008-037	Sinclair Community College	Storyboarding	High School Linkages Planning Session	Michael Carter, Student Services		N/A	This project assists the High School Linkages and the Admission Offices coordinate outreach efforts in area high schools.
2008-038	Procter & Gamble Foundation	Proposal	Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project supports the ongoing work of Project READ's elementary tutoring program.
2008-039	Sinclair Community College	Storyboarding	Felon Re-entry to Employment	Helen Grove, Provost		N/A	This planning session focuses on best practices for increasing employability of former felons.
2008-040	Virginia Kettering	Proposal	Adolescent Literacy Project	Nancy Jones, Project READ	\$0	Not Funded	This project provides support to the standardization and accreditation process for literacy programs serving adolescents and explores the establishment of a new coalition to coordinate youth literacy initiatives.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-041	Ohio Department of Education	Proposal	We are IT	Patty Santoianni, Business & Public Services	\$3,000	Funded	This project promotes Information Technology as a career choice for young women in area high schools through a fall conference.
2008-042	Wright State University Subcontract	Report	Envisioning the Future: Nursing Robot on the Road to New Models of Health Care Delivery	Gloria Goldman, Life and Health Sciences		N/A	This project provided technical assistance to the Nursing Institute of West Central Ohio for a proposal focused on simulations.
2008-043	Sinclair Community College	Report	Sinclair Description for Dayton Development Coalition	Neil Herbkersman, Organizational Development		N/A	This report provides descriptions of Sinclair's workforce development initiatives to assist the Dayton Development Coalition attract new companies to the area.
2008-044	National Science Foundation	Proposal	Integrating Cyberinfrastructure Applications into Small and Medium Sized Enterprises through Workforce Education	Art Ross, Science, Mathematics & Engineering	\$26,337	Funded	This project involves teaching one class per year to small and medium sized businesses on integrating the cyberinfrastructure into their enterprise.
2008-045	Morgan Family Foundation	Proposal	Project READ Helpline	Nancy Jones, Project READ	\$0	Not Funded	This project supports the Project READ Helpline service which individually matches more than 1,000 adults each year with free learning opportunities in the Dayton area, and serves as a clearinghouse for connecting individuals with literacy volunteer opportunities.
2008-046	General Motors Foundation	Proposal	Literacy Awareness Activities	Nancy Jones, Project READ	\$0	Not Funded	This project supports several literacy public awareness activities.
2008-047	Ohio Department of Education	Proposal	Early Literacy Specialist	Whitney Bixler, Liberal Arts and Sciences	\$69,000	Funded	The project funds the second year of a two year contract for an Early Literacy Specialist position at Sinclair to provide professional development for practitioners and teachers in early childhood settings and for pre k-12 teachers in Ohio's schools.
2008-048	Ohio Board of Regents (State)	Proposal	Jobs Challenge Performance Plan	Deb Norris, Workforce Development	\$133,064	Funded	This projects provides support for workforce development outreach to small and medium-sized businesses
2008-049	Ohio Department of Education	Proposal	Middle/High School Improvement Tech Prep Open Enrollment	Nick Wilson, Miami Valley Tech Prep Consortium	\$59,170	Funded	This project will expand Miami Valley Tech Prep Consortium strategies working with additional high school students who are not currently enrolled in tech prep programs.
2008-050	Robert H. Brethen Foundation	Proposal	Project READ Coalition	Nancy Jones, Project READ	\$0	Not Funded	
2008-051	National Science Foundation	Proposal	Nurse Educator Extender	Gloria Goldman, Life and Health Sciences	\$0	Not Funded	This project in collaboration with Wright State University conducts research using a robot for on-campus clinical instruction.
2008-052	U.S. Department of Labor	Proposal	Ohio Bioscience Consortium	Phyllis Williams, Science, Mathematics & Engineering	\$0	Not Funded	This project will provide faculty development, curriculum improvement, equipment purchases, and both credit and non-credit tuition and books for biotechnology students.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-053	Montgomery County Job and Family Services	Proposal	Dayton Urban League STEP II Tuition Reimbursement	Mike Freed, Workforce Development	\$4,000	Funded	This project provides tuition and book reimbursement for economically disadvantaged students from the Dayton Urban League who are enrolled in Project STEP II.
2008-054	Ohio Department of Development	Proposal	Small Business Development Center	Pete Cheadle, Workforce Development	\$0	Not Funded	This project wil provide supportive services to small businesses.
2008-055	Ohio Department of Education	Subcontract	21st Century Subaward with Mound Street Academics	Michael Carter, Fast Forward Center		N/A	This project provides continuing support the the Mound Street Academics to offer after school educational enrichment programming.
2008-056	U.S. Department of Labor	Proposal	Clean Energy Infrastructure Educational Initiative	Robert Gilbert, Science, Mathematics & Engineering	\$0	Not Funded	Sinclair's role in this project will be to assist in the development of pre-college clean energy curricula.
2008-057	National Science Foundation	Proposal	Teaching Advanced Manufacturing through Guitar Making	Tom Singer, Science, Mathematics & Engineering	\$0	Not Funded	The purpose of this collaborative project between Butler County Community College, Ventura College, Sinclair Community College and Purdue University is to develop a STEM based faculty professional development program. The design, construction and analysis of an acoustic hollow body electric guitar will be used as the project to disseminate science, engineering, technology and mathematics through secondary and post secondary faculty teams. In order to provide a balanced STEM integration, faculty teams would include a technology instructor and a math or science instructor.
2008-058	Ohio Board of Regents (State)	Proposal	Choose Ohio First Scholarships for the Miami Valley Undergraduate STEM Alliance	Helen Grove, Provost	\$0	Not Funded	This project, Growing the STEMM Pipeline in the Dayton Region, provides scholarships for STEMM students, Wright State University will serve as the fiscal agent.
2008-059	Ohio Department of Public Safety	Proposal	Justice Assistance Grant: Law Enforcement	John John Hawkins, Campus Police	\$14,989	Funded	This project will purchase safety equipment to help Sinclair police officers reduce crime and increase public safety.
2008-060	National Science Foundation	Proposal	Building Evidence of Promising Instruction: An Examination of the Community College Instructional Practices and Student Outcomes	Steven Wendel, Science, Mathematics & Engineering	\$0	Not Funded	Sinclair will be a subrecipient with SRI International to conduct a four-year, \$1.2-million nationwide research study that provides an empirical look at the quality of classroom teaching in technician education.
2008-061	Verizon Foundation	Pre-proposal	Project READ Helpline	Nancy Jones, Project READ		N/A	This project explores support for the Project READ Helpline and outreach activities in the community. The actual proposal will be submitted in FY 09.
2008-062	Ohio Board of Regents (State)	Proposal	Distance Learning STEM Education Partnership	Madeline Iseli, President	\$100,000	Funded	This project will establish a STEM education partnership with Wright State University to reach more undergraduate students through quality distance learning programs.
2008-063	Sinclair Community College	Storyboarding	Storyboarding for Dayton Ministries for Higher Education	Tom Wilson, Miami Valley Tech Prep Consortium		N/A	This storyboarding session focuses on fundraising strategies for campus ministers at local colleges and universities.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-064	Ohio Board of Regents (State)	Proposal	Choose Ohio First Scholarships for STEM Teachers	Helen Grove, Provost	\$0	Not Funded	This project, Growing the STEM Teacher Pipeline in the Dayton Region, will provide scholarships to STEM teachers, Wright State University will serve as the fiscal agent.
2008-065	Xerox Foundation	Proposal	Project READ Helpline	Nancy Jones, Project READ	\$0	Not Funded	This project supports the Project READ Helpline.
2008-066	Ohio Board of Regents (State)	Proposal	Choose Ohio First Scholarships for the Southwest Ohio STEM Academy	Helen Grove, Provost	\$0	Not Funded	This project, the Southwest Ohio STEM Academy, provides scholarships for STEM majors, Miami University serves as the fiscal agent.
2008-067	Sinclair Community College	Report	Warren County School District Research	George Sehi, Courseview Campus		N/A	This reseach analyzed school distrcts in Warren County to focus on increasing the rate at which residents of Warren County attend college
2008-068	Montgomery County Dept. of Job and Family Services	Proposal	Montgomery County Adult and Family Literacy Program	Nancy Jones, Project READ	\$189,500	Funded	This project provides literacy coordination and direct literacy services to low-income adults and families.
2008-069	Ohio Board of Regents (State)	Proposal	Choose Ohio First Scholarships with Central State University	Helen Grove, Provost	\$35,000	Funded	This project, Diversifying Ohio in Science, Technology, Engineering and Mathematics, provides scholarships to STEM students attending Sinclair and matriculating to Central State University. This is the first of a five year program.
2008-070	Ohio Department of Education	Proposal	We are IT Assessment	Cheryl Reindl-Johnson, Courseview Campus	\$7,000	Funded	This project provides assessment services for a workshop that encourages females to pursue STEM careers.
2008-071	Sinclair Community College	Storyboarding	Entrepreneur Planning Session	David Siefert, Business & Public Services		N/A	This project explores the integration of entrepreneurial coursework across the curriculum at Sinclair.
2008-072	Ohio Department of Public Safety	Proposal	Ohio Peace Officer Training	Charles Gift, Campus Police	\$0	Not Funded	This project provides peace officer training.
2008-073	National Science Foundation	Proposal	Applying Research-Based Instructional Methods in the Classroom	James Houdeshell, Science, Mathematics & Engineering	\$35,000	Funded	This project provides supplemental funding for a current project providing professional development for STEM community college faculty to integrate research-based instructional methods into classroom teaching. An additional \$35,000 was granted, bringing the total to \$134,987. The new end date is 06/30/09.
2008-074	National Science Foundation	Proposal	Historically Black Colleges and Universities Undergraduate Program	Karen Blake, Science, Mathematics & Engineering	\$0	Not Funded	This project fosters closer collaboration between Sinclair and Central State University by providing scholaships to STEM students who matriculate to earn their BS degrees.
2008-075	U.S. Department of Education	Report	Developing a Comprehensive Transition Plan	Yvonne Dorsett, Student Services		N/A	This project is a 12 month no cost extension request for the Title III program which ends in September 2008.
2008-076	Sinclair Community College	Report	Student Success Plan Software Commercialization	Russ Little, Information Technology Services		N/A	This project seeks funding for commercialization for the student success plan/individualized learning software that was created during the Title III grant.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-077	National Science Foundation	Proposal	HCC-Small: Computer-Assisted Skills Assessment for Nursing Practica	Gloria Goldman, Life and Health Sciences	\$0	Not Funded	This project in collaboration with Wright State University conducts research using a robot for on-campus clinical instruction.
2008-078	Ohio Department of Jobs and Family Services	Proposal	Ohio Skills Bank	Deb Norris, Workforce Development	\$60,000	Funded	This project involves collaboration among workforce development organizations in the greater Dayton area.
2008-079	Fluke Corporation	Proposal	Fluke Multimeter Donation Project	Harmit Kaur, Science, Mathematics & Engineering	\$0	Not Funded	This project seeks the donation of multimeters for use in electronics laboratories.
2008-080	U.S. Department of Justice	Proposal	Bulletproof Vest Partnership	Charles Gift, Chief Information Officer	\$300	Funded	This project provides up to 50% reimbursement for new purchases of bulletproof vests for Sinclair's police officers.
2008-081	GE Money	Proposal	Miami Valley READs	Nancy Jones, Project READ	\$0	Not Funded	This project supports the ongoing work of the Miami Valley READs tutoring program for elementary school children.
2008-082	Cargill Foundation	Proposal	Miami Valley READS	Nancy Jones, Project READ	\$0	Not Funded	This project supports the ongoing work of the volunteer tutoring program for elementary school children.
2008-083	National Science Foundation	Proposal	STEM Based Computer Aided Aerospace Education	Donna Hanshew, Science, Mathematics & Engineering	\$0	Not Funded	This project will produce instructional materials on meteorology for high school youth involved in the Civil Air Patrol. This is a collaborative project with the Riverside Research Institute and Embry-Riddle Aeronautical University.
2008-084	Ohio Department of Natural Resources	Proposal	Ohio College and University Recycling and Waste Reduction Program	Robert Woodruff, Business Operations	\$26,667	Funded	This project improves Sinclair's recycling and waste reduction program.
2008-085	Wright State University Subcontract	Proposal	Community Health Advocate Program	David Collins, Liberal Arts, Communications, and Social Sciences	\$35,000	Funded	This project funds Sinclair's coordination of the Community Health Advocates program with Wright State University.
2008-086	Martha Holden Jennings	Proposal	Miami Valley READS	Nancy Jones, Project READ	\$6,100	Funded	This project supports the ongoing work of the volunteer tutoring program for elementary school children.
2008-087	Les Mapp Foundation	Proposal	Project READ Coalition	Nancy Jones, Project READ	\$2,000	Funded	This project supports the ongoing operations of the Project READ coalition.
2008-088	Ohio Department of Education	Storyboarding	K-8 STEM Program of Excellence	Steven Wendel, Science, Mathematics & Engineering		N/A	This program provides teacher professional development for K-8 teachers in rural western Ohio.
2008-089	Noon Optimist Club of Centerville	Pre-proposal	Miami Valley READS Donation	Diane Brogan-Adams, Project READ		N/A	This project establishes a relationship with the Club to request future donations to support the Miami Valley READS program. T
2008-090	Reynolds & Reynolds	Proposal	Miami Valley READS	Nancy Jones, Project READ	\$4,000	Funded	This project supports the ongoing work of the volunteer tutoring program for elementary children.
2008-091	Sinclair Community College	Storyboarding	Focus Group for Board	Mary Gaier, Organizational Development		N/A	This planning session will identify key issues for Sinclair's Board of Trustees annual meeting.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-092	Ohio Department of Development	Proposal	Small Wind Turbine Blade Program	Deb Norris, Workforce Development	\$0	Not Funded	This project creates a prototype wind-powered blade for an alternative energy project. The lead applicant is Edison Materials Technology Center.
2008-093	Ohio Board of Regents (State)	Report	Dayton Regional STEM School	Steven Lee Johnson, President		N/A	This is a letter of support for Wright State University to manage the Dayton Regional STEM School.
2008-094	Ohio Board of Regents (State)	Proposal	Targeted Industries #4953 Precision Manufacturing Co.	Mike Freed, Workforce Development	\$3,600	Funded	This project provides training for the employees of Precision Manufacturing.
2008-095	Sinclair Community College	Storyboarding	Faculty Focus Groups	David Collins, Administration		N/A	Two focus group sessions will explore options to achieve a 50/50 ration of part-time to full-time faculty.
2008-096	Ohio Department of Education	Subcontract	Subcontracts for Out-of-school Youth Earmark Grant	Michael Carter, Fast Forward Center		N/A	These are subcontracts with the Mount Street Academies and New Choices for a state of Ohio earmark grant.
2008-097	Ohio Board of Regents (State)	Proposal	Targeted Industries #4963 Titanium Foundry	Mike Freed, Workforce Development	\$2,400	Funded	This project provides training for the employees of Titanium Foundry.
2008-098	United Way of the Greater Dayton Area	Subcontract	United Way Partnership Agreement for Project READ	Nancy Jones, Project READ		N/A	This agreement facilitates the funding Project READ receives annually from the United Way.
2008-099	Montgomery County Solid Waste District	Proposal	Montgomery County Recycling Incentive Grant	Robert Woodruff, Facilities Management	\$14,324	Funded	This project improves and expands Sinclair's recycling program.
2008-100	Sinclair Community College	Presentation	Resource Development Specialist Training Program Presentation	Neil Herbkersman, Organizational Development		N/A	The Grants Team delivers two presentations to the Council for Resource Development Resource Development Specialist Training Program in Dallas.
2008-101	Sinclair Community College	Presentation	Compression Planning Training	Neil Herbkersman, Organizational Development		N/A	The Grants Team participates in Compression Planning training in Pittsburgh.
2008-102	Montgomery County Dept. of Job and Family Services	Proposal	Dayton Regional Workforce Development Task Force Project Manager	Deb Norris, Workforce Development	\$40,000	Funded	This project provides funds for a project manager to assist the Dayton Regional Workforce Development Task Force to develop regional workforce development strategies.
2008-103	Dayton Development Coalition	Proposal	Dayton Regional Workforce Development Task Force Project Manager	Deb Norris, Workforce Development	\$15,000	Funded	This project provides funds for a project manager to assist the Dayton Regional Workforce Development Task Force to develop regional workforce development strategies.
2008-104	Dayton Area Chamber of Commerce	Proposal	Dayton Regional Workforce Development Task Force Project Manager	Deb Norris, Workforce Development	\$15,000	Funded	This project provides funds for a project manager to assist the Dayton Regional Workforce Development Task Force to develop regional workforce development strategies.
2008-105	Minority Economic Development Council	Proposal	Dayton Regional Workforce Development Task Force Project Manager	Deb Norris, Workforce Development	\$5,000	Funded	This project provides funds for a project manager to assist the Dayton Regional Workforce Development Task Force to develop regional workforce development strategies.
2008-106	Wright State University Subcontract	Proposal	Dayton Regional Workforce Development Task Force Project Manager	Deb Norris, Workforce Development	\$15,000	Funded	This project provides funds for a project manager to assist the Dayton Regional Workforce Development Task Force to develop regional workforce development strategies.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-107	Sinclair Community College	Proposal	Tech Prep Partner Matching Funds	Ron Kindell, Miami Valley Tech Prep Consortium	\$56,298	Funded	During this project, partner secondary schools provide matching funds to the Miami Valley Tech Prep Consortium.
2008-108	NCR Foundation	Proposal	Miami Valley READS	Nancy Jones, Project READ	\$3,000	Funded	This project supports the ongoing work of Project READ's volunteer tutoring program for elementary school children.
2008-109	American Association of Community Colleges	Proposal	Plus 50 Demonstration Project	Anne Holaday, Senior Vice President Office	\$0	Not Funded	This project improves and expands the offerings of the College for Lifelong Learning College.
2008-110	LexisNexis	Proposal	Miami Valley READS	Holly Elkins, Project READ	\$2,500	Funded	This project supports the ongoing work of Project READS elementary school tutoring program.
2008-111	Sinclair Community College	Storyboarding	Sociology Department Analysis	Donna Fletcher, Liberal Arts and Sciences		N/A	This project conducts a SWOT analysis for the sociology department.
2008-112	Small Business Association	Report	Womens Business Center	Sue Merrell, Business & Public Services		N/A	This project is a letter of support for the Community Development Corporation Resource Consortium.
2008-113	Ohio Board of Regents (State)	Proposal	Targeted Industries CB Manufacturing #4967	Mike Freed, Workforce Development	\$3,600	Funded	This project provides training for the employees of the CB Manufacturing and Sales Company.
2008-114	National Science Foundation	Proposal	MAKE It: Innovative Engineering and Technology Experiences	Tom Singer, Science, Mathematics & Engineering	\$0	Not Funded	This project supports activities of Sinclair's National Center for Manufacturing Education, providing STEM curriculum in middle schools, applying collaborative internet communication technology in the middle school classrooms, and developing several rapid build centers (at community colleges) to produce the design solutions that are developed by the students.
2008-115	Ohio Board of Regents (State)	Proposal	Targeted Industries Community Tissue Services #4977	Mike Freed, Workforce Development	\$2,000	Funded	This project provides training for the employees of Community Tissue Services.
2008-116	National Science Foundation	Pre-proposal	AviationTechnology-Diesel	Don Stark, Science, Mathematics & Engineering		N/A	This project obtains equipment and develops curriculum for diesel aircraft engine maintenance.
2008-117	Fifth Third Bank Charitable Trusts	Proposal	Courseview Campus Capital Grant	Marianne Gorczyca, Sinclair Foundation	\$25,000	Funded	This project provides funding for capital equipment for the Courseview Campus.
2008-118	Ohio Board of Regents (State)	Proposal	Targeted Industries Gayston Corp. #5102	Mike Freed, Workforce Development	\$1,450	Funded	This project provides training for the employees of Gayston Corporation.
2008-119	National Science Foundation	Pre-proposal	Automotive Hybrid Technology Summer Institutes	Rex Kent, Science, Mathematics & Engineering		N/A	This project involves the management of community college summer institutes, high school faculty awareness workshops, and curriculum module development on automotive hybrid technology beginning the summer of 2009.
2008-120	Ohio Department of Education	Proposal	Sinclair ABLE	Barbara Gilbert, Extended Learning and Human Services	\$33,334	Funded	This project provides support for Sinclair's Adult Basic and Literacy Education Program.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-121	U.S. Department of Labor	Proposal	Clean Energy Infrastructure Educational Initiative	Robert Gilbert, Science, Mathematics & Engineering	\$0	Not Funded	This initiative will develop a collaborative educational program between the University of Dayton, Wright State University, the Air Force Institute of Technology, and Sinclair Community College in both engineering and engineering technology to enable the establishment of programs capable of developing practitioners necessary to provide the talent needed to secure our nation's future energy needs.
2008-122	U.S. Department of Labor	Proposal	High-growth Job Training Initiative in the Energy Industry	Deb Norris, Workforce Development	\$0	Not Funded	This project provides job training for incumbent workers and new hires for Dayton Power and Light. The Miami Valley Tech Prep Consortium will coordinate high school outreach activities for DP&L. The fiscal agent is the Utility Workers Union of America.
2008-123	Ohio Department of Development	Report	Third Frontier Wright Projects Program--Aviation Workforce Training Equipment	Donna Hanshaw, Science, Mathematics & Engineering		N/A	This project will obtain three flight simulators for the new Aviation Technology program at Wright Brothers Airport; simulators will be for the following types of aircraft--a single-engine, a multi-engine, and a regional jet.
2008-124	National Science Foundation	Pre-proposal	Bio-manufacturing for the Emerging Pharmaceutical Industry in Southwestern Ohio	Phyllis Williams, Science, Mathematics & Engineering		N/A	This project focuses on faculty development, program development, and curriculum development focusing on bio-manufacturing as a curriculum option for biotechnology and engineering technology.
2008-125	Ohio Board of Regents (State)	Proposal	Targeted Industries Dysinger Inc. #5013	Mike Freed, Workforce Development	\$1,800	Funded	This project provides funding to the employees of Dysinger Inc.
2008-126	U.S. Department of Labor	Report	Regional Innovation Grant	Deb Norris, Workforce Development		N/A	This regional economic development proposal conducts research on the needs of local employers. The fiscal agent is the Montgomery County Department of Jobs and Family Services.
2008-127	Mound Street Academies	Proposal	Mound Street Academies Planning Session	Neil Herbkersman, Student Services	\$1,000	Funded	This storyboarding session focuses on continuous improvement of the Mound Street Academies.
2008-128	Sinclair Community College	Report	Research Misconduct	Neil Herbkersman, Organizational Development		N/A	This project creates a process for managing research misconduct compliance.
2008-129	Ohio Board of Regents (State)	Proposal	Career-Technical Credit Transfer for Nursing	Gloria Goldman, Life and Health Sciences	\$30,000	Funded	This project will facilitate all elements associated with assessing and evaluating nursing content submissions to determine nursing equivalency under Career-Technical Credit Transfer ("CT2"). Institutions from around the state will submit content to the established validation center using a web-based interactive process.
2008-130	Sinclair Community College	Report	Project READ Executive Director Search	Helen Grove, Project READ		N/A	This project facilitates the search for a new Executive Director for Project READ.
2008-131	Dollar General Literacy Foundation	Proposal	Project READ Literacy Coalition	Nancy Jones, Project READ	\$0	Not Funded	This project supports an AmeriCorps Volunteer at the Dayton Urban League for one year.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-132	United Way of the Greater Dayton Area	Proposal	Literacy Network Management	Diane Brogan-Adams, Project READ	\$15,000	Funded	This project will provide \$15,000 for three years to support the Adult and Family Literacy Network Management program. This is the first year.
2008-133	Ohio Department of Education	Proposal	21st Century	Michael Carter, Fast Forward Center	\$143,448	Funded	This project provides after school enrichment for students at the Mound Street Academies. It is the final year of funding.
2008-134	Ohio Board of Regents (State)	Proposal	Targeted Industries Places Inc. #5097	Mike Freed, Workforce Development	\$2,190	Funded	This project provides training for the employees of Places, Inc.
2008-135	Ohio Board of Regents (State)	Proposal	Targeted Industries Crown Solutions	Mike Freed, Workforce Development	\$2,628	Funded	This project provides training for the employees of Crown Solutions, Inc.
2008-136	Ohio Board of Regents (State)	Proposal	Targeted Industries Morris Bean & Co.	Mike Freed, Workforce Development	\$915	Funded	This project provides training for the employees of Morris Bean & Co.
2008-137	Sinclair Community College	Report	Energy Project	Robert Gilbert, Science, Mathematics & Engineering		N/A	This project seeks funding to increase the capacity to provide high quality energy audits and renewable energy system design to the residential and commercial sectors through the development of skilled practitioners at the technician level.
2008-138	Bob Evans Foundation	Report	Making Opportunity Affordable	Steven Lee Johnson, President		N/A	The project is a conference call with the Ohio Board of Regents and the Lumina Foundation to position Ohio to receive a \$2.1 million grant over five years. Ohio is one of ten finalists for this grant award.
2008-139	Montgomery County ADAMHS Board	Proposal	Supported Education Program	Dean Cole, Student Services	\$55,255	Funded	This project offers special counseling for Sinclair students with mental health problems so that they may meet their educational goals and succeed at
2008-140	Ohio Board of Regents (State)	Proposal	Targeted Industries Med-Pass, Inc. #5133	Mike Freed, Workforce Development	\$3,600	Funded	This project provides training for the employees of Med-Pass, Inc.
2008-141	Ohio Board of Regents (State)	Proposal	Targeted Industries Community Tissue #5135	Mike Freed, Workforce Development	\$2,000	Funded	This project provides training for the employees of Community Tissue.
2008-142	Ohio Board of Regents (State)	Proposal	Targeted Industries Computer Sciences Corporation #5094	Mike Freed, Workforce Development	\$28,462	Funded	This project provides training for the employees of Computer Sciences Corporation.
2008-143	Ohio Board of Regents (State)	Proposal	Seniors to Sophomores--Franklin High School	Michael Carter, Office of Precollege Programs	\$100,000	Funded	This project will create a seamless articulation to ensure seniors earn 36 quarter hours at graduation.
2008-144	Ohio Board of Regents (State)	Proposal	Seniors to Sophomores--Dayton Public Schools	Michael Carter, Office of Precollege Programs	\$100,000	Funded	This project will create a seamless articulation to ensure seniors earn 36 quarter hours at graduation.
2008-145	Ohio Board of Regents (State)	Proposal	Seniors to Sophomores--West Carrollton Senior High School	Michael Carter, Office of Precollege Programs	\$0	Not Funded	This project will create a seamless articulation to ensure seniors earn 36 quarter hours at graduation.
2008-146	Ohio Board of Regents (State)	Proposal	Seniors to Sophomores--Miami Valley Career Technology Center	Michael Carter, Office of Precollege Programs	\$0	Not Funded	This project will create a seamless articulation to ensure seniors earn 36 quarter hours at graduation.
2008-147	Ohio Board of Regents (State)	Proposal	Choose Ohio First Scholarships for STEM Teachers	Helen Grove, Provost	\$0	Not Funded	This project provides scholarships for STEM teachers attending Sinclair.
2008-148	Ohio Board of Regents (State)	Proposal	Seniors to Sophomores--Warren County Career Center	Michael Carter, Office of Precollege Programs	\$100,000	Funded	This project will create a seamless articulation to ensure seniors earn 36 quarter hours at graduation.

Project No.	Sponsor	Type	Project Title	Project Director	Amt Received	Status	Proposal Abstract
2008-149	Ohio Department of Education	Proposal	Ford Partnership for Advanced Studies	Hope Arthur, Workforce Development	\$25,000	Funded	This project supports a pre-college engineering technology professional development program for high school teachers across Ohio.
2008-150	Ohio Department of Education	Proposal	Ford Partnership for Advanced Studies	Hope Arthur, Workforce Development	\$25,000	Funded	This project supports a pre-college engineering technology professional development program for high school teachers across Ohio.
2008-151	Fifth Third Bank Charitable Trusts	Proposal	Women's Literacy Pilot Project	Nancy Jones, Project READ	\$5,000	Funded	This project provides support for the Literacy Americorps volunteers working with women in Kettering's Adult School English as a Second Language program.
2008-152	National Science Foundation	Proposal	STEM Disability Alliance	George Sehi, Science, Mathematics & Engineering	\$15,290	Funded	Sinclair will collaborate with Wright State University and other partners to improve access and success of disabled students in STEM disciplines.
2008-153	Sinclair Community College	Storyboarding	Storyboarding with the Sinclair Police	Mary Gaier, Organizational Development		N/A	This storyboarding session focuses on Sinclair Police working conditions.
2008-154	Ohio Board of Regents (State)	Proposal	Choose Ohio First Scholarships for STEM Students (WSU)	Helen Grove, Provost	\$31,500	Funded	This project provides scholarships to STEM students. This is the first of a five-year program.
2008-155	Ohio Board of Regents (State)	Proposal	Targeted Industries Gayston Corporation	Mike Freed, Workforce Development	\$1,450	Funded	This project provides training for the employees of Gayston Corporation.
2008-156	Ohio State University Research Foundation	Proposal	Computational Science Pilot Testing	Art Ross, Science, Mathematics & Engineering	\$3,000	Funded	This project involves pilot testing of computational science courses created by the Ralph Regula School of Computational Science.
2008-157	Society of Manufacturing Engineers Ed. Foundation	Proposal	Manufacturing is Cool Web	Steven Wendel, Science, Mathematics & Engineering	\$30,000	Funded	This project provides funding for the NCME to host, manage, update, and promote the Manufacturing is Cool website.
2008-158	AT&T Foundation	Proposal	High School Success Special Grants Program	Michael Carter, Senior Vice President Office	\$0	Not Funded	This project provides assistance to help overage, repeat eighth graders transition to ninth grade successfully.
