Sinclair Community College Annual Police Report 2007

A message from the Director of Public Safety

I want to take this opportunity to introduce your Sinclair Police and to provide you with some facts about police operations. Staffed by one Chief, two Captains, four Lieutenants, 15 police officers, eight dispatchers and five student security officers plus a myriad of part-time personnel, it is important to realize that the Sinclair Police is a complete law enforcement agency with full authority and arrest powers, exactly the same as any other police department within the State of Ohio. Our officers are certified through the Ohio Peace Officers Training Academy and maintain their certification through a rigorous in-service training procedure remaining current with changes as they occur. Officers are dispatched from a dispatch center, fully staffed by trained professionals 24 hours a day, seven days a week. Dispatchers have at their disposal, access to Ohio's Law Enforcement Automated Data System, the National Crime Information Center computer systems and local law enforcement automated data systems. The Sinclair Police have five cruisers, three of which are marked, in order to provide a rapid response when necessary. A majority of our officers are bicycle certified and can usually be seen riding in and around the campus

This Annual Report represents only one of our efforts as we comply with the provisions of the Jeanne Clery Act, a mandatory crime reporting requirement for all colleges and universities across the nation. The Jeanne Clery Act allows you to compare serious crime on every college or university as the reporting requirements are identical. Crime at Sinclair is very low, so low in fact that you are safer on the campus of the college than anywhere else in the City of Dayton. Nevertheless, we all, faculty, staff and students must keep in mind that the potential for crime does exist and as a result, we all need to be ever mindful of our surroundings and take the time to report situations which appear out of the ordinary. In order to enhance the opportunity for reporting suspicious activity, a network of emergency blue light intercoms have been located outdoors, throughout the downtown campus and are identified by a blue light atop a pole that houses the intercom. These intercoms are situated throughout campus and in parking lots. In addition to the emergency intercoms, there are a number of closed-circuit television surveillance cameras, which assist in monitoring parking lots and other selected areas.

The information contained within this report is provided to inform the Sinclair Community College community, and others, of the activities provided by and involving your Sinclair Department of Public Safety that exists within the Sinclair Community College. As the Director of Public Safety, I urge you to read the information within the website located at: <http://police.sinclair.edu>. Please feel free to contact me, or any member of the Sinclair Police Department, with any questions or concerns.

Sinclair Community College Annual Police Report 2007

Reporting the Annual Disclosure of Crime Statistics

The information in this annual report is provided as part of Sinclair Community College's commitment to campus safety and meets the compliance standards set forth in the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Sinclair Community College is located in downtown Dayton situated over 50 acres near I-75 within the city of Dayton. More than 22,000 students are enrolled and there are approximately 1,500 full and part-time faculty and over 300 staff to support the institution. In addition, Sinclair has Learning Center facilities in Englewood and Huber Heights and the Courseview Campus Center in Mason, Ohio. Sinclair also has sites throughout the college's designated service area. Please see page 22 for additional safety information at the Learning Centers and the Courseview Campus Center.

The full text of this annual report is also available on the department's web site at <http://police.sinclair.edu>. This report is prepared in cooperation with the local law enforcement agencies surrounding the main campus and alternate sites, the office of the Senior Vice President and the Student Leadership Development Office. Campus crime, arrest and referral statistics include those reported to the Sinclair Police, designated campus officials (including but not limited to directors, deans, department heads, designated Sinclair staff, the Judicial Affairs Board, advisors to students/student organizations, athletic coaches), and local law enforcement agencies.

Each year, an e-mail notification is made to all enrolled students at the time that provides the web site address to access this report and the location of the Sinclair Police if they wish to obtain a hard copy. Faculty and staff receive similar notification through the college's Intranet system. Copies of this annual report may also be obtained from the Sinclair Police office, Building 7, room 7112. All prospective employees may obtain a copy from Human Resources, Building 7, room 7340 and the web site address is attached to Sinclair employment applications.

Reporting Crimes and Emergencies

Crimes occur throughout society, and college campuses are not exempt. Sinclair prides itself for its safety record and is committed to continue providing a safe environment. Each individual must take responsibility to be aware of his or her own environment to reduce the chance of becoming a crime victim. While on campus be aware of personal safety along with the safety of personal belongings. Students, faculty, staff and visitors are expected to conduct themselves as law-abiding members of the campus community.

If a crime does occur, it should be reported to the Sinclair Police who will investigate the incident and initiate the required legal actions. Everyone is encouraged to promptly and accurately report any crime or incident that negatively affects the college by calling the Sinclair Police at extension 2700 (from any campus phone), or off-campus (937) 512-2700, or by stopping by the Sinclair Police Office, room 7112 (first floor of Building 7).

Sinclair Community College Annual Police Report 2007

Students, faculty and staff may also elect to report crimes to the following areas, however it is preferred that the Sinclair Police be notified initially so that an investigation can be initiated immediately.

Voluntary Confidential Reporting

The Sinclair Police encourage anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the Sinclair Police cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to the Miami Valley Crime Stoppers at 222-STOP or 1-800-637-5735.

Timely Alert Warnings

The Sinclair Police maintains a continuous liaison with the Dayton Police Department especially when a serious crime occurs on adjacent streets or sidewalks to the campus.

In the event that a situation arises, either on or off campus, that, in the judgment of the Director of Public Safety, constitutes an ongoing or continuing threat, a campus wide "timely alert warning" will be sent electronically to all staff, faculty and students as well as posted on bulletin boards throughout the campus and the department's web site at <http://police.sinclair.edu> as soon as possible.

It is important for students, faculty and staff to not only stay aware of crimes occurring on campus but also on adjacent streets and sidewalks surrounding the campus. Anyone with information warranting a timely warning should report the circumstances to the Sinclair Police by phone (937-512-2700) or in person at the Sinclair Police office in Building 7, room 7112.

Maintenance and Security of Campus Facilities

Sinclair Community College maintains a strong commitment to safety and security. Exterior lighting is an important component in keeping the campus safe. Motor vehicle parking lots, pedestrian walkways and building exteriors are well lighted, and the Sinclair Police staff conducts formal inspections of exterior lighting on a regular basis. The results of these inspections are forwarded to the Facilities Management Office, who gives high priority to maintenance of exterior lights needing repair or replacement. In addition to these weekly inspections, Sinclair Police officers routinely identify formal lighting problems in the course of their patrols and notify the Facilities Management Office of repairs needed.

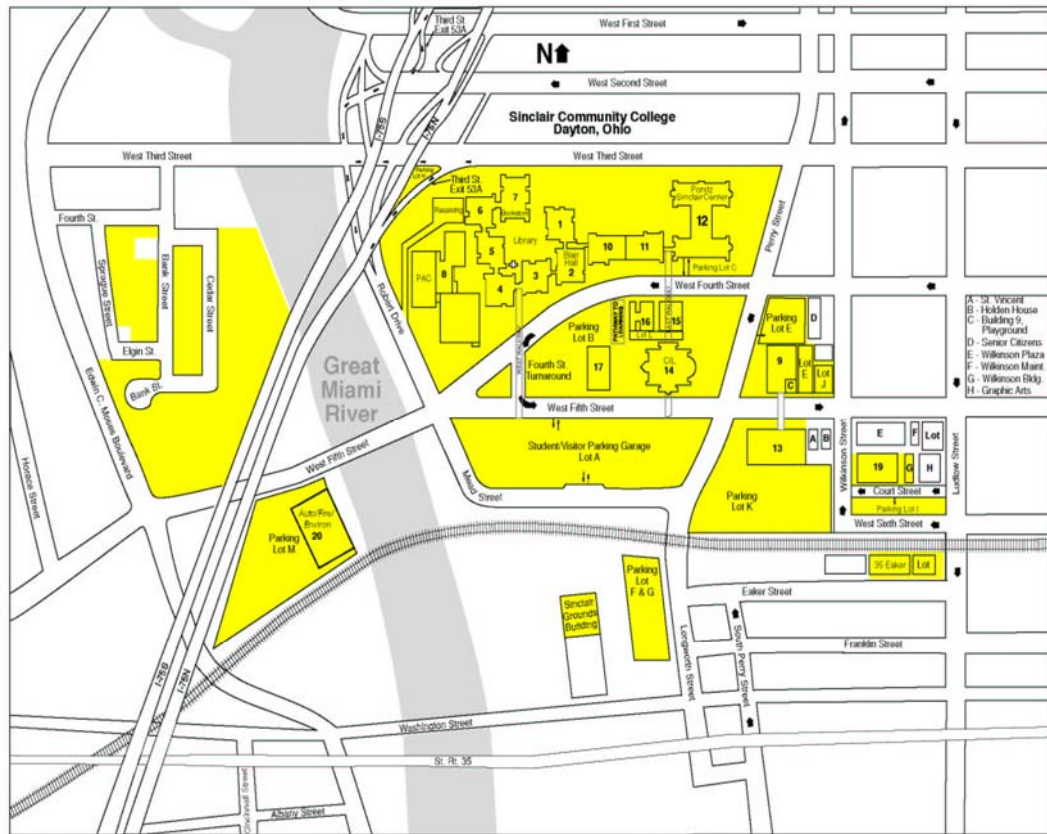

As part of the routine and directed patrols, the Sinclair Police personnel inspect exterior doors on campus facilities. Exterior doors on all campus buildings are locked and secured each evening by the Sinclair Police. These officers report door and security hardware operating deficiencies to ensure prompt repairs are made. In addition, landscaping is evaluated on an annual basis.

Closed-circuit cameras monitor many parking areas of the campus. These cameras forward their pictures to the display and control screens located in the Sinclair Police Dispatch Center in Building 7. Communications Officers may use the close-circuit television system to identify problems that may require a police response. Parking areas are regularly patrolled by the Sinclair Police.

Sinclair Police Authority, Jurisdiction and Local Partnerships

To reduce crime and ensure members of the campus community are as safe and secure as possible, the Sinclair Police employs 22 full-time and two part-time sworn professional police officers. All sworn officers have attended over 720 hours of training through the Ohio Peace Officer Training Academy and are certified as police officers by the State of Ohio. In addition, the officers undergo continuing specialized training in firearms, first aid, CPR & AED, defensive tactic, legal updates, and other law enforcement related subjects to maintain their skills. The department also employs three full-time and five part-time dispatchers, five Safety Information Officers assigned to the Learning Centers and the Courseview Campus, over 80 part-time security officers, three student officers, one clerical staff person who serve in supporting roles and one safety coordinator. The members of these units do not have statutory arrest powers, but work to assist police with security matters. The department has motorized patrol, bike patrol, and foot patrol of campus buildings, grounds, and parking garages and lots.

The Sinclair Police operates 24-hours a day, seven days a week, including holidays when the campus is normally closed. Firm but reasonable enforcement of State laws, Dayton City ordinances and rules and regulations of the college, coupled with crime prevention and safety programs, helps to meet these responsibilities. It is the goal of every member of the Sinclair Police to promote, preserve, and deliver feelings of safety through quality services to the members of the campus community.

It is the policy of the Sinclair Police to encourage accurate and prompt reporting of all crimes or incidents to police. The Sinclair Police investigate incidents of a criminal nature and initiates, before a court of law, a required legal action. Sinclair Police Officers are empowered by the State of Ohio to arrest any offender and bring that person before the local court system for judgment. We make timely warning reports to the campus community about serious crimes, such as murder, manslaughter, robbery, arson, aggravated assault, burglary, motor vehicle theft, rape and hate crime. These serious crimes are reported to the campus community using Timely Alert Warnings and the Clarion campus newspaper. Timely Alert Warnings are sent electronically to the campus community and posted on bulletin boards throughout campus and on the Sinclair Police web site. If needed, assistance is available from the Dayton Police Department, Montgomery County Sheriff's Department, Ohio State Patrol, Five Rivers MetroParks, the Miami Valley Crime Laboratory, the Federal Bureau of Investigation and other agencies if needed. The Sinclair Police cooperate with all local police authorities, state authorities, and federal authorities in the exercise of its responsibilities.

The Sinclair Police maintain a LEADS (Law Enforcement Automated Data System) and NCIC (National Crime Information Center) terminal. Through this system police personnel can access local and national databases to access information involving criminal history data, nationwide police records, driver/vehicle information, as well as other local, state and federal law enforcement information.

Through coordination with local law enforcement agencies and other college and universities, any criminal activity engaged in by students at off-campus locations is monitored and recorded. This information is provided to the Manager of Student Judicial Affairs for any action or follow-up that may be required.

The Sinclair Student Judicial Affairs Manager is responsible for on-campus student disciplinary proceedings. The Sinclair Police and the Student Leadership Development Office work collaboratively to resolve incidents of student misconduct that affect College policies and procedures. Sinclair Community College maintains an open campus environment and encourages the community to participate in activities that are open to the public. However, the College reserves the right to restrict unauthorized persons from its grounds when appropriate.

Off-Campus Student Organizations

Sinclair Community College does not maintain off-campus student organizations. All sanctioned clubs are registered through the Student Leadership Development Office in room 8025.

Safety Awareness and Crime Prevention Programs

Each member of the campus community must take responsibility to be aware of his or her own surroundings to reduce the chance of becoming a crime victim. Below are some of the programs and initiatives that the Sinclair Police provide:

Escorts

The department provides escorts 24 hours a day to any member of the campus community at no charge. Students, faculty or staff are encouraged to contact the Sinclair Police at (937) 512-2534 or stop by room 7112 and request an escort whenever they feel the need to do so. A uniformed officer will be assigned as an escort to any destination on campus or any area immediately adjacent to campus property. Appointments for escorts are not accepted.

Speaker's Bureau/Orientation Programs

The Sinclair Police provide orientations at new student orientations and selected general academic classes throughout the year. In addition, officers are available to speak to any group on campus regarding services provided by the department on safety awareness. In addition, information on the Sinclair Police is provided by the Admissions Department during campus tours and at on-going orientation programs for new students. New employees are provided department information during their orientations. For additional information on obtaining a speaker, contact the Sinclair Police at (937) 512-2534.

Safety Committee

This committee, chaired by the Director of Public Safety, meets to identify and address general safety issues on campus. It is comprised of a variety of staff, faculty and one student representative.

Emergency Telephones

In-house telephones are located on the basement and third levels of Buildings 1-6, the third floor of Building 10, the fourth and first floors of Building 11, at the elevators in Building 12, in stairwells in Buildings 13, 14, 19 and 20. These telephones provide easy contact with the Sinclair Police for both general assistance requests and emergencies. These phones are not only for emergency use to contact the Sinclair Police but can also be used to contact other campus offices.

Safety Awareness Expo

The Sinclair Police, working in partnership with the Miami Valley Crime Prevention Association, sponsor the annual Safety Awareness Expo each Fall Quarter. The Expo provides the opportunity for students, faculty and staff to interact with over 60 police agencies, state agencies, local community groups, fire departments; campus student services departments and student clubs as well as see a variety of demonstrations and entertainment. The department also announces its annual Partners In Safety awards to campus departments and organizations that have assisted the Sinclair Police in keeping the campus safe.

Closed-Circuit Television Surveillance

A series of closed-circuit television cameras are located in strategic locations throughout campus, including the Lot A parking garage.

Printed Crime Prevention Materials

A variety of crime prevention and safety brochures are available at no charge to students, faculty and staff. An information rack is located on the first floor of Building 7 next to the Sinclair Police office.

Security Assessments

The Sinclair Police has one specially trained officer to conduct security assessments for campus offices and organizations. Assessments are conducted upon request of a particular department or organization and as a proactive crime prevention campaign. Assessments are designed to identify problems and recommend corrective action to improve security on campus. The Crime Prevention Officer also conducts an annual security assessment of college landscaping in coordination with the Grounds Department.

Rip Off Card Program

The Sinclair Police strive to reduce the theft rate yearly but your help is needed. Theft is, by far, the most common crime that occurs on campus. In order to help reduce the likelihood of someone becoming a theft victim, the Rip Card Program was developed. All officers carry yellow "Rip Off Cards" that are left in lieu of any found property on campus. It only takes "seconds" for someone to steal over \$100 worth of textbooks packed in a book bag or a purse containing cash and credit cards. Often these crimes can easily be prevented if the owner simply keeps the item with them.

Prohibition of Firearms

Firearms are prohibited from the Sinclair campus, including parking areas and college-managed facilities. If you have a firearm and need a place to secure it, place the weapon in the trunk or storage unit of your vehicle.

Public Notification and Crime Reporting

Sinclair Community College makes every effort to keep the campus community informed about safety-related problems. The college's duty to inform is taken very seriously. As a result, information related to crime and criminal activity is provided to the community in an accurate and timely fashion. Notification efforts and methods include, but are not limited to, the following initiatives:

Annual Report

A comprehensive annual safety report is compiled, published and distributed on the department's web site at <http://police.sinclair.edu> and is available at the Sinclair Police office (room 7112) at no charge.

Sinclair Police Safety Report

Sinclair's student newspaper, the Clarion, and the college's internal web site publish the "Sinclair Police Safety Report" on a regular basis. Reports are also posted on the department's bulletin board located on the first floor of Building 7 and the second floor of Building 14.

Public Log

The Sinclair Police prepares and maintains an incident log for public viewing and is available 24 hours a day.

Sinclair Police Timely Alerts

The Sinclair Police will provide timely warning notices to the campus community whenever an incident is considered by the college to represent a threat to the campus community. Notices may be made via flyers on bulletins and distributed to offices, e-mail and/or fax notices to offices and on the department's web site at <http://police.sinclair.edu>. For additional information, please see page 4.

Knight Blaze, a local band comprising of police officers and fire fighters, perform each year during the annual Sinclair Safety Awareness Expo held during Fall Quarter.

Crime Statistics 2007-2005

Offense categories and statistical information are specified by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, originally enacted in 1990 and amended in 1998.

The Sinclair Police work with several law enforcement agencies to provide accurate statistics for Sinclair's properties that are located off campus and for public property surrounding campus owned or controlled property. Those agencies include the Dayton Police Department, the Kettering Police Department, the Englewood Police Department, the Huber Heights Police Department and the Mason Police Department.

Notifications are sent to law enforcement agencies and college personnel, requesting they provide all reportable crime statistics to the Sinclair Police. These statistics are evaluated, totaled and included in the appropriate category based on crime, year, and the location of the incident.

Drug and Alcoholic Beverages Policies

In addition to maintaining strict compliance with all state and federal laws, Sinclair Community College has its own drug and alcohol policies. The following acts are prohibited on college premises, on college-controlled property or at college-sponsored activities and events:

- Distribution, processing, transporting, sale, purchasing and/or possession or use of any illegal drug/or the use, possession of any controlled substance without legal authorization, including mood-altering drugs

- Possession of alcoholic beverages by individuals under 21 years old

In addition to disciplinary sanctions imposed through college procedures, including suspension or expulsion from the college, students and employees may face criminal prosecution under city, state and federal laws. College employees may be disciplined under direction of the Human Resources Office. Faculty and staff members are not excluded from prosecution merely by virtue of their position of employment.

The college supports students' intentions to obtain assistance for problems related to substance abuse in the following ways:

- Counseling Services will be available to provide substance abuse counseling information and referral to community resources for treatment on a confidential basis.
- No student will jeopardize or enhance his or her status as a student solely by the request to seek substance abuse counseling.
- The college will help to arrange for time away from academic work to pursue appropriate drug treatment when and only when, the Counseling Services office has had the opportunity to determine the student's situation.
- Student support services will be provided on campus to assist the student in the transition back to school following such treatment.
- Employees are referred to the college's Employee Assistance Program vendor.
- For additional information, contact the Prevention Education Resource Center or the Counseling Services (room 10424) or call (937) 512-2752.

Sexual Assault Policy

Sinclair Community College does not tolerate sexual assault, coercion, exploitation, or other forms of sexual misconduct that offends the dignity of any member of the college community. Sexual assault, whether occurring on campus or at college-sponsored activities, is both a violation of the standards of the college and a criminal act within federal and state laws. Individuals who believe they have been the victims of a sexual assault may pursue resolution on campus and/or criminal action against an alleged perpetrator.

The college strongly encourages any person who has been sexually assaulted either on or off-campus to contact the Sinclair Police or the police department where the incident occurred.

What to Do If You Become a Victim

If an individual becomes the victim of a sexual assault, the first priority should be for the victim to get to a place of safety. The victim should then obtain the necessary medical treatment. The Sinclair Police strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor because of the importance for preserving evidence that may be needed for prosecution.

The victim should report the assault to the Sinclair Police but can elect to report the crime to the Manager of Student Leadership Development. Filing a police report will not obligate the victim to prosecute or subject the victim to scrutiny or judgmental opinions from the College. Filing a police report will:

- Ensure that the victim receives the necessary medical treatment and tests
- Provide the opportunity for the collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical exam)
- Assure the victim has access to confidential counseling through Counseling Services

The Sinclair Police will assist the victim in navigating through the criminal justice system. The Sinclair Police will also pursue on-campus disciplinary procedures through Student Judicial Affairs. Both the accused and the victim are entitled to the same opportunities to have others present and be informed of the outcome. Options and assistance in changing classes subsequent to an alleged sexual assault can be arranged, provided such options are reasonably available. Sanctions imposed by Student Judicial Affairs range from verbal warnings to expulsion depending on the severity of the offense. It is important to realize that on a national level, at least one third of all reported sexual assault victims know their attacker – this person may have been a date, steady boyfriend or girlfriend, or casual friend. This is called “acquaintance rape” and it can happen to anyone.

A Sinclair Police official or a counselor from Counseling Services will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available from the Counseling Services Department and Campus Ministry from within the college. Outside campus resources include Crisis Care, HelpLink, Planned Parenthood, WomanLine and the Victim/Witness Division in Montgomery and Greene counties and the Dayton Municipal Court Victim/Witness program. Phone numbers for these organizations are available below.

There are several educational programs, such as self-protection, date rape, sexual assault and fire safety seminars that are available for any group or organization on campus. The RAD Program (Rape Aggression Defense course) is also available. RAD provides basic information on personal safety, awareness, risk reduction and avoidance. The program teaches practical defensive techniques that require no special skills. In addition, the Sinclair Police sponsor the annual Safety Awareness Expo that takes place during fall quarter. The Expo provides the opportunity for all student, staff and faculty to learn more about safety from a variety of area
