

OHIO EMS INSTRUCTOR COURSE – August/September 2009

Ohio EMS Instructor Course Prerequisites

_____ Copy of current Ohio EMS provider or RN license.

_____ Verification from EMS Department Chief or supervisor of 5 years experience as an EMS Provider or RN in last 7 years

_____ Copy of acceptable Ohio Knowledge Test score verification

- ❖ You will register for an examination through a secure site on the NREMT web page. To register for an examination, go to www.nremt.org and follow the steps. Be sure to select the "Assessment Exam" at the appropriate level and use "Ohio EMS Instructor Knowledge Exam" as the "Reason to Test". If you have problems, let me know and I can email you the .pdf of instructions.
- ❖ If applicant is unable to pass the CBT examination within three attempts, the applicant must wait for a time period of 6 months and complete a board approved refresher course at the appropriate level before attempting the examination again.
- ❖ Once you pass the EMS Knowledge test, your results are good for two years.
- ❖ If you have taken the written test and are awaiting results, please complete and turn in your registration form. We will not process any monies until the course has started. By turning your registration form in to the EMS office, you allow Sinclair to have an accurate count of people wanting to take the course.

_____ Successful completion of Practical Skills Pretest

- ❖ Skills to be tested are the current National Registry Skills testing at the level of your Ohio certification.
- ❖ Copies of the skills sheets will be mailed to the instructor candidate upon receipt of the registration and form of payment.
- ❖ Skills will be tested on August 1 from 0900 - 1300 or August 3 from 0900 – 1300
 - Select the day for skills testing on registration form.
