Fee: **\$395.00**

Course is limited to 20 participants

Deadline for Application is May 11 2012

13 CE hours

This course is designed to prepare the Registered Dental Hygienist or Certified Dental Assistant for the PRACTICAL PORTION of the EFDA certification examination administered by the Commission on Dental Testing in Ohio. Successful completion of an approved EFDA course is a prerequisite for attendance. This course meets the requirement for the remediation for auxiliaries who have not passed the certifying examination after 2 attempts.

Participants must bring their own Kilgore typodont (Model # D85-DP200), and disposable supplies which they plan to use for the actual examination including composite materials, personal handpieces and instruments. Participants who do not own a Kilgore typodont may rent one from Sinclair for an additional \$20.00 lab fee.

- ❖ Students will be required to wear scrubs, lab coats, hair pulled back and off the collar, minimal jewelry, and must bring their own safety glasses during the clinical session. We are a latex reduced facility.

The course fee includes professional instruction, amalgam material, all board prepared typodont teeth, two \$8.00 vouchers for the Tartan Marketplace (on campus) dining café and two parking passes. Two Mock Boards will be scheduled for individuals after the review course but prior to EFDA June examination (Tuesday or Wednesday evening 6-9). This is optional.

Questions regarding the course can be directed to Judy Fronsoe at 937 512-2779.

Participants who are taking this course as required remediation for the Ohio EFDA certifying exam should obtain all application materials or the EFDA exam itself from the Commission on Dental Testing in Ohio. Questions pertaining to testing should be directed to Vicky at the Commission on Dental Testing in Ohio **(614) 921-0892**.
