Information About WiSTEM

The WiSTEM Institute is a week of **fun, hands-on activities** relating to the areas of science, technology, engineering and mathematics. Each day students will participate in lab sessions that will cover a wide variety of skills and knowledge. The 2011 WiSTEM Institute is all about food and how science and technology help to bring life sustaining nutrients to the world.

Hands-on activities will be in the following lab areas:

Biology
Chemistry
Computer Technology
Engineering
Mathematics
and more!
