# Information About WiSTEM

The WiSTEM Institute is a week of **fun, hands-on activities** relating to the areas of science, technology, engineering and mathematics. Each day students will participate in lab sessions that will cover a wide variety of skills and knowledge. At the 2012 WiSTEM Institute, we will explore the science and technology behind mobile phones and discuss their global impacts.

**Hands-on activities will be in the following lab areas:**

- Aviation
- Biology
- Chemistry
- Electronics
- Technology
- Engineering
- Mathematics
- and more!
