

Dress for Success

Dress your best for all your interviews, regardless of the dress code of the organization. Also, make sure to try on your outfit BEFORE the day of the interview.

Tips:

1. Your clothes are your image, so check the mirror and see what others see.
2. It is better to be overdressed than underdressed.
3. If it's tight or too loose, don't wear it.

Where to Find Interview- appropriate clothes:

Clothes that Work

This is a non-profit organization with locations in Montgomery and Greene counties. They provide interview appropriate clothing for interviews and the workplace at low cost. Call 937-222-3778 for more information.

Goodwill/Thrift shops

Oftentimes, these stores will have appropriate clothing that has been donated and they are selling at a low cost. Make sure the clothing is free of stains and tears. There are locations all over the Dayton and greater Dayton areas.

Friends and Family

If you have friends or family members who are the same size as you then you may want to ask them if you can borrow attire that they may own. However, do not wear something that is too tight or too loose. Make sure the style is flattering on you and you feel confident wearing whatever you borrow.
