

## VERIFICATION OF HOUSEHOLD SIZE

This form is required whenever the household size information you provided on your FAFSA does not match the information you provided on the verification worksheet, or does not agree with other information you provided on the FAFSA. (Example: If you indicated you were married and had dependents on the FAFSA, but only listed one person in the household.)

If you did not and were not required to provide parent information on the FAFSA:

- List the people in **your** household including yourself and any children or individuals for which you will provide more than half of their financial support.
- Include age, relationship, and name of college (if applicable) for anyone listed.
- Sign, date, and provide your social security number.

If you were required to provide parent information on the FAFSA:

- List the people in **your parents'** household including yourself, parents (and stepparent) even if you do not live with your parents.
- You will also need to include any other children (even if they do not live with your parents) or individuals (living with your parents) for which your parents provide more than half of their financial support.
- Include age, relationship, and name of college (if applicable) for anyone listed.
- Sign, date, and provide your social security number.
- Parent must sign form.
