

Unsure what to study?

EXPLORE

1. START BY TAKING A FREE CAREER ASSESSMENT:

Focus 2 will help you discover and research occupations that match your skills, interests, and values. Start by signing up for a user account at www.sinclair.edu/focus2. You will need the access code **Tartanpride**

If you need help signing up or taking the Focus 2, contact Academic Advising at 937-512-3700.

2. THEN DO SOME RESEARCH:

Who's Hiring- The Potential Earnings-What the Job Requires

Career Connection

<https://careerconnection.sinclair.edu>

Explore careers, plan your path, gain experience, and complete a credential.

Sinclair Library

<https://libguides.sinclair.edu/careers>

An interactive tool for job seekers and students to learn about the tasks, skills, and salary information for over 900 different careers.

Unsure what to study?

CAREER
EXPLORATION
&
ADVISING
RESOURCES

PLAN

3. MEET WITH A CAREER ADVISOR AND COME PREPARED TO DISCUSS:

What top **three** careers stood out to you in your research?

What interested you most about these careers?
(E.g. income, working conditions, helping people)

What areas of study best align with the careers you are most interested in?
(Circle all that apply)

Business & IT

Liberal Arts &

Social Sciences

Creative Arts

Law & Public Safety

Health Sciences

**Science, Technology,
Engineering, & Math**

A Sinclair career advisor can help you further narrow down your career choice by discussing the questions above, answering questions you may have, and helping you understand your assessment results. To schedule an appointment, contact academic advising at

937-512-3700.
