### Orientation & Leadership Requirements for Club Advisors & Student Officers

If you are a new advisor or club officer, you **MUST** complete the Anti-Hazing training. This is mandatory per the state of Ohio. In order to do so, you must enroll in the Sinclair College Student Clubs & Organizations Hub (SCSCOH) on eLearn. \*Please note that ALL club members must complete these two steps as well in order to be counted as members of the group. These two requirements must be done immediately upon joining the club/org.

Club advisors and student officers must watch/review the orientation video located in the Leadership Resource section on the SCSCOH. After reviewing, in order to receive credit, you must complete the follow up questionnaire. This must be completed by September 10, 2023.
