Notre Dame College, located at 4545 College Road, South Euclid, Ohio, and Sinclair Community College, located at 444 West Third Street, Dayton, Ohio, recognize the need to facilitate the transfer of students from Sinclair Community College to Notre Dame College to pursue and achieve their educational goals.

Founded by the Sisters of Notre Dame in 1922, the College has grown strategically to keep pace with the rapidly changing needs of students and the dramatic changes in higher education, but it has never lost sight of its emphasis on teaching students not only how to make a good living but also how to live a good life.

Today, the College offers bachelor’s degrees in 30 disciplines plus a variety of master’s degrees, certification programs and continuing and professional development programs for adult learners on campus and online. Notre Dame College offers NCAA Division II intercollegiate athletic programs for men and women and is located in a picturesque residential neighborhood just 25 minutes from the heart of Cleveland. Hallmarks of the Notre Dame experience include stimulating academics, personalized attention of dedicated faculty and staff, and small class sizes.

Sinclair Community College (Dayton, OH) is accredited by The Higher Learning Commission; Member-North Central Association. (30 N. LaSalle Street - Suite 2400, Chicago, Illinois 60602-2504, (312) 263-0456 or (800) 621-7440.)

It is understood by the parties that both institutions are committed to, and will adhere to, applicable laws, regulations, policies, and guidelines effective on and after the date of this Agreement.

While this Agreement is active, and for a period of two years after its completion, the parties agree to maintain auditable records of all charges pertaining to this Agreement and make such records available to the other party as each may reasonably require.

In an effort to ease the transfer process and to promote the closer coordination of academic courses, programs and degrees offered by our institutions, the parties do hereby enter into this
Institutional Articulation Agreement ("Agreement").

1. Notre Dame College and Sinclair Community College shall adhere to the Ohio Articulation and Transfer Policy of the Ohio Department of Higher Education.

2. Transfer students shall be subject to the catalog in force at the time of their admission to Notre Dame College and to any revisions that occur after its publication and prior to their enrollment. Once admitted, transfer students shall be subject to the same regulations governing applicability of catalog requirements, including, but not limited to major, GPA, graduation, and/or residency requirements, policies, procedures, and standards, as native students. Furthermore, transfer students shall be accorded the same class standing and other privileges as native students on the basis of the number of credits earned.

3. Recognizing the system of preparation afforded by the completion of an Associate of Arts and Associate of Science (AA/AS) degree, and in accordance with the Ohio Articulation and Transfer Policy, Notre Dame College will guarantee admission to the college and afford junior standing to all students who have earned an AA/AS degree from Sinclair Community College, provided their grade point average is at least 2.0 for all previous college-level courses, with the exception of Notre Dame College's Nursing Program, which has separate admission requirements, including a GPA of 3.2.

Students completing an AA or AS at Sinclair Community College will be considered to have met all lower division general education requirements at Notre Dame College, with the exception of upper biennium general education requirements.

4. Recognizing the system of preparation afforded by the completion of an Associate of Applied Science (AAS) degree, Notre Dame College will guarantee admission to all students who have earned an AAS degree from Sinclair Community College, provided their grade point average is at least 2.0 for all previous college-level courses, with the exception of Notre Dame College's Nursing Program, which has separate admission requirements, including a GPA of 3.2.

Notre Dame College and Sinclair Community College will work together to maximize the acceptance and application of transfer credit for AAS graduates. This includes application to general education requirements.

5. Students so admitted will be considered for admission to selective programs (majors, minors, or fields of concentration) with the same guidelines that are applied to native Notre Dame College students. Students are responsible for understanding and adhering to the selective admission requirements, according to catalog requirements at Notre Dame College.

6. Students who have not completed their AA/AS/AAS degree, or who have earned a cumulative grade point average below 2.0, or those who have been dismissed previously from another institution will be considered for admission according to the admissions policy and standards of Notre Dame College, as set forth in catalog requirements.
7. Under this Agreement, students of Sinclair Community College will be encouraged to complete their AA/AS/AAS degree before transferring to Notre Dame College.

Should a Sinclair Community College student transfer to Notre Dame College prior to completion of an AA/AS/AAS degree, Sinclair Community College shall provide the opportunity for students to subsequently complete the AA/AS/AAS degree in absentia using Notre Dame College course credit. Notre Dame College agrees to supply information to Sinclair Community College in order to facilitate this reverse transfer credit.

In this interest, all course work completed at Notre Dame College will be accepted and applied to AA/AS/AAS degree requirements at Sinclair Community College consistent with the criteria used for native Sinclair Community College students. The same course may also apply toward baccalaureate degree requirements at Notre Dame College.

8. Notre Dame College and Sinclair Community College will work together to maximize the acceptance and application of transfer credit. Any program specific articulation Agreements supporting this institutional Agreement will outline selective admission requirements, course equivalencies, and other information affecting students who enroll in a particular academic program. These supplemental programmatic articulation arrangements must be consistent with the tenets of this overarching institutional Agreement. Students transferring credit outside of programmatic articulation Agreements will have the application of transfer credit done on a course-by-course basis by Notre Dame College. Ultimately, the acceptance and application of transfer credit is the decision of Notre Dame College.

9. All collegiate level courses completed at Sinclair Community College with a "C" or better grade, by students who choose to transfer before completing an associate degree, will be accepted toward the student's class standing at Notre Dame College. Notwithstanding the preceding, a student may be required to retake any course in which s/he received a grade of "C" where there is a higher minimum grade required for all native Notre Dame College students pursuing the same academic program. These credits will also be considered for application to the student's degree requirements using the same criteria used for native Notre Dame College students.

10. Notre Dame College will provide Sinclair Community College with course equivalent information regarding Notre Dame College courses and their Notre Dame College equivalents. Notre Dame College will update the information and provide the most current equivalencies to Sinclair Community College for the upcoming academic year, annually no later than July 1st.

11. Due to curriculum structures and the variability in student enrollment patterns, Notre Dame College cannot guarantee that students who transfer under the provision of this Agreement will complete all the requirements to graduate from Notre Dame College within two years or by earning an additional 60 semester hours (90 quarter hours) at the Notre Dame College.
12. Notre Dame College will annually report to Sinclair Community College the total number of transfer students from Sinclair Community College for the previous academic year no later than July 1st.

Notre Dame College will compensate Sinclair Community College at 10% of the net tuition billed and paid for undergraduate courses, whether taken on-location or online, for all transfer students from Sinclair Community College who matriculate during the effective dates of this Agreement.

Such compensation shall be calculated by Notre Dame College at the end of each term and paid to Sinclair Community College within ninety (90) days thereafter. This obligation shall survive the expiration or termination of this contract for students enrolled in the educational partnership as of the date of termination.

No compensation payment by Notre Dame College or receipt by Sinclair Community College of compensation, or any endorsement or statement on any check or any letter accompanying any check or payment shall prejudice Sinclair Community College's right to audit, at its expense, and recover a balance it deems as unpaid or pursue any other remedy in this Agreement.

13. Federal regulations mandate that financial aid can be disbursed to a student by only one institution during any given term. Financial aid eligibility through Sinclair Community College ends when the student completes their Sinclair Community College degree and commences working upon a degree program at Notre Dame College. Financial aid consortium Agreements will be available to students pursuing a bachelor degree at Notre Dame College and exercised where permissible, with Notre Dame College, serving as the home institution.

Care will be taken to insure that Agreement modifications will not adversely affect students already enrolled and covered under the provision of the existing Agreement.
