PROFESSOR MARY W. PEELLE
Professor Emeritus 1986

Mary W. Peelle became affiliated with Sinclair Community College in 1965 as an instructor of secretarial courses. As the result of her knowledge, hard work, and dedication, she became the first chairperson of the Secretarial Sciences Department. Prior to her retirement in 1976, Mrs. Peelle attained the rank of Associate Professor. Some of the characteristics, as cited by her colleagues, which make her well suited for emeritus consideration, are included in the following statements:

... Mary brought a quiet and efficient high quality performance to everything she did.

... Mary was dedicated to her profession and to the college.

... As a teacher, Mary’s high standards of knowledge and discipline inspired her students to excel.

... She made one proud to be part of Sinclair.

... Mary is a class instructor who always put her students first.

In addition to Mary Peelle's classroom excellence, she also took a leadership role in the long range planning of the Secretarial Sciences Department, the selection of high quality departmental faculty, the development of new courses and programs. She also did an outstanding job of establishing and maintaining effective articulation with the business community in Dayton.

The manifold contributions made by Mrs. Peelle to Sinclair Community College certainly establish her as a superb candidate for receipt of emeritus honors.
