

Dental Hygiene Program Advisory Committee

This committee is the primary liaison between the community of dentists, dental hygienists and the dental hygiene program. The Dayton Dental Society, Dayton Dental Hygiene Association, Dayton Dental Assistant Association, and other selected organizations may be requested to serve on the Dental Hygiene Advisory Committee. The members should be actively engaged in their profession and members of their professional organization. There are no term limits, but the appointments are reviewed annually and renewed if applicable. There shall be one/two meeting per year to be held (October & April). The Advisory Committee shall consist of at least the following representatives:

Members from Dayton Dental Society	2
Periodontist affiliated with the Dayton Dental Society	2
Members from the Dayton Dental Hygienist Association	4
Member from the Ohio Dental Expanded Functions Association	1
Representative from Dental Distributors	3
SCC Health Sciences Academic Advisor	1
Current Student and President, SCC Dental Hygiene Program	1
Dean of Health Sciences	1
Chairperson of Dental Health Sciences	1
Fulltime Dental Health Sciences Faculty (Ex-officio members)	4

Responsibilities:

1. Representatives of individual organization - maintain communication between school and organization.
2. Advise the dental hygiene program concerning employment, graduates' work and student training.
3. Assist in recruiting applicants.
4. Recommend equipment and materials.
5. Work on screening and accreditation committees.
