ABOUT AVIATION PROGRAMS

The Department of Veteran Affairs (VA) mandates that students in aviation related programs must take one non-flight course per semester. Be sure to speak with an Academic Advisor to ensure that your schedule allows you to meet this mandate.

The VA requires additional paperwork for the following Aviation class(es):

AVT 1124   AVT 2263   AVT 2269   AVT 2278
AVT 1126   AVT 2265   AVT 2271   AVT 2286
AVT 1224   AVT 2266   AVT 2277   AVT 4171
AVT 1226   AVT 2267

Note: The B.S. Aviation Professional Pilot Program is pending VA Approval.

  FOR AIR FORCE VETERANS visit www.au.af.mil/au/ccaf/transcripts.asp

TRANSFER STUDENTS

- Tungsten Authorization: Updated form needed from your VA counselor
- Important Information: (see back)
IMPORTANT INFORMATION

Best practices process: Advising Aviation Students in the Aviation Technology/Professional Pilot Program that are using the GI Bill®

Students that are in the Aviation/Professional Pilot program and are utilizing the GI Bill® benefits should be made aware that the Department of Veteran Affairs (VA) will pay only for the associate degree program. VA does not pay for certificates within the program, they will only pay for a degree. This means students will need to take general education classes mixed with flight classes showing intent to complete the program. Ensure to notify student that they could incur a GI Bill® debt upon review of student records.

To ensure compliance with the VA, please follow these best practices:

• Meet with Sinclair’s Aviation office to discuss educational goals
• Work with Sinclair’s Academic Advisor to create a MAP
• Discuss goals and funding options with Sinclair’s Military Family Education Center
