ABOUT SINCLAIR’S RESIDENCY REQUIREMENT

The Ohio GI Promise states for those who have at least one year of honorable services and currently reside in Ohio, qualify for Ohio residency. This is not automatically granted to each student as additional information must be provided to the Registration & Records office before residency can be established. This process is important as it can reduce the cost of tuition for students from out-of-state to in-state or Montgomery County rates.

- Active duty not stationed at WPAFB and their dependents or veterans and their dependents residency is determined on where they are domiciled. Domicile is defined as a person permanent place of abode so long as the person has the legal ability under federal and state law to reside permanently at that abode. Only one domicile may be maintained at a given time.
IMPORTANT INFORMATION

VETERAN EDUCATION BENEFITS

For those who are using the following GI Bill®: Post 9/11 (CH-33) or Vocational Rehabilitation (CH-31) benefits, education benefits will cover tuition up to the in-state tuition and will not cover the difference of out-of-state tuition. Registration & Student Records office—is the official residency experts of the college and will determine if the paperwork provided is sufficient to make any residency changes.
